Morning brings a chance to deal
with life on fresh terms.

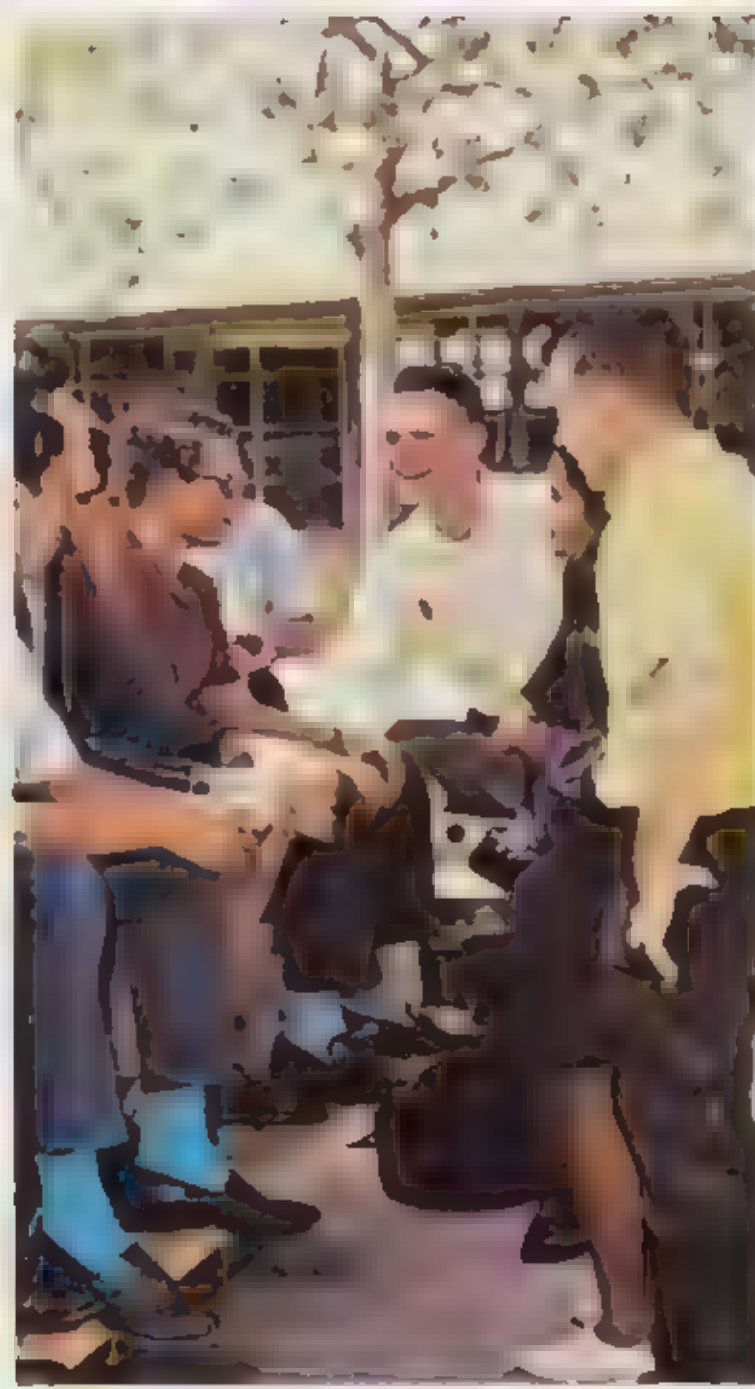

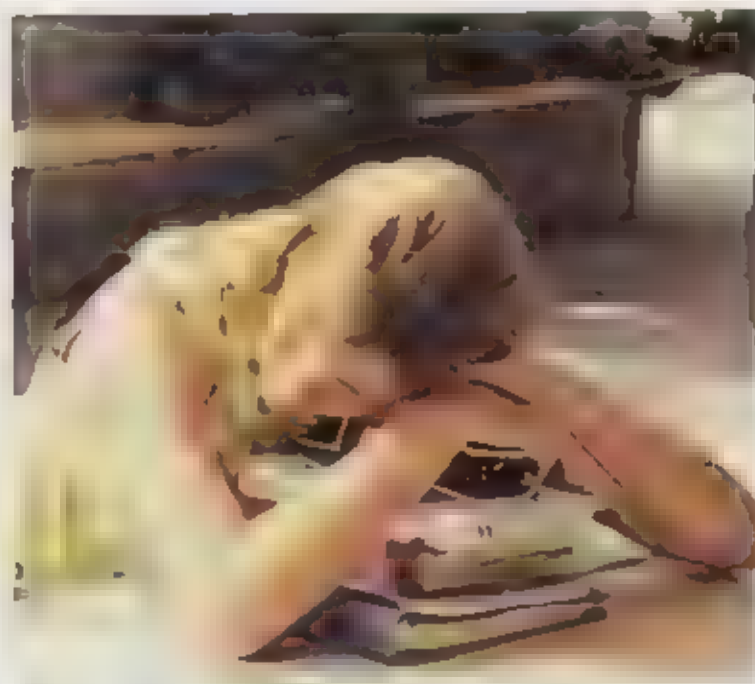

The dawn of day presents to each student a new opportunity. The world is fresh and without fault as another day of classes and study begins. Friends are greeted and we launch into the day feeling a new spirit of optimism.

But as the morning changes to afternoon we realize that the time of day doesn't last. Each must find his own way through the rest of the day and continue until the end of the evening. Another episode has been completed in a day in the life.

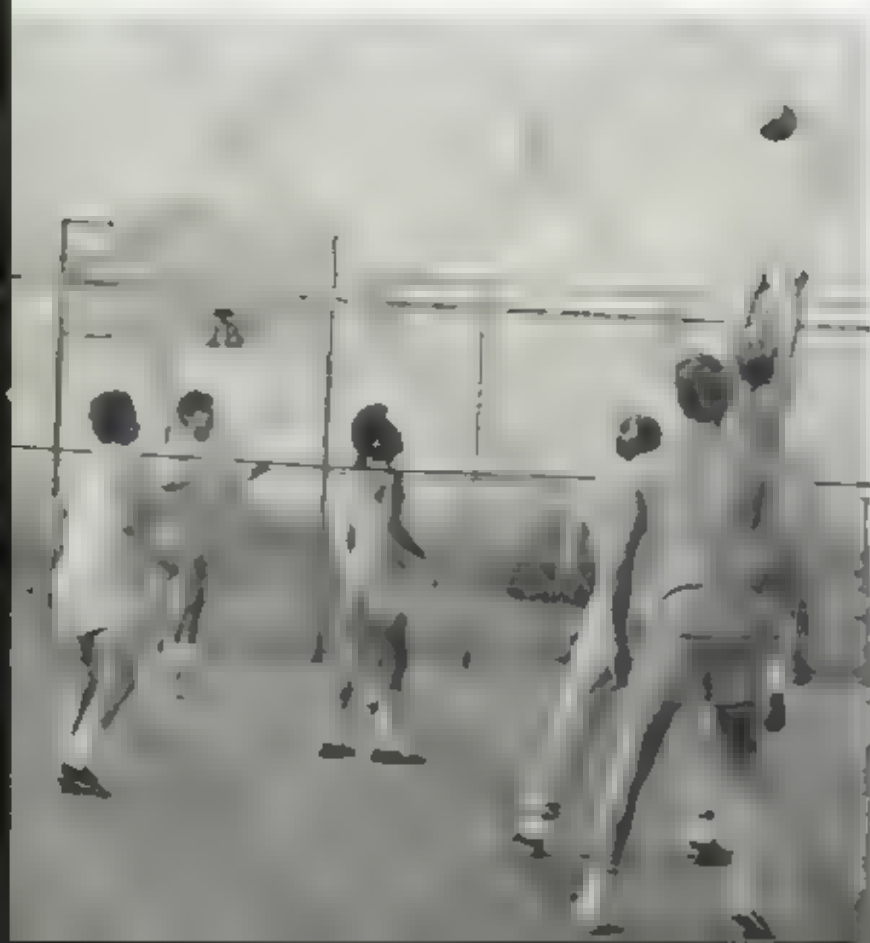

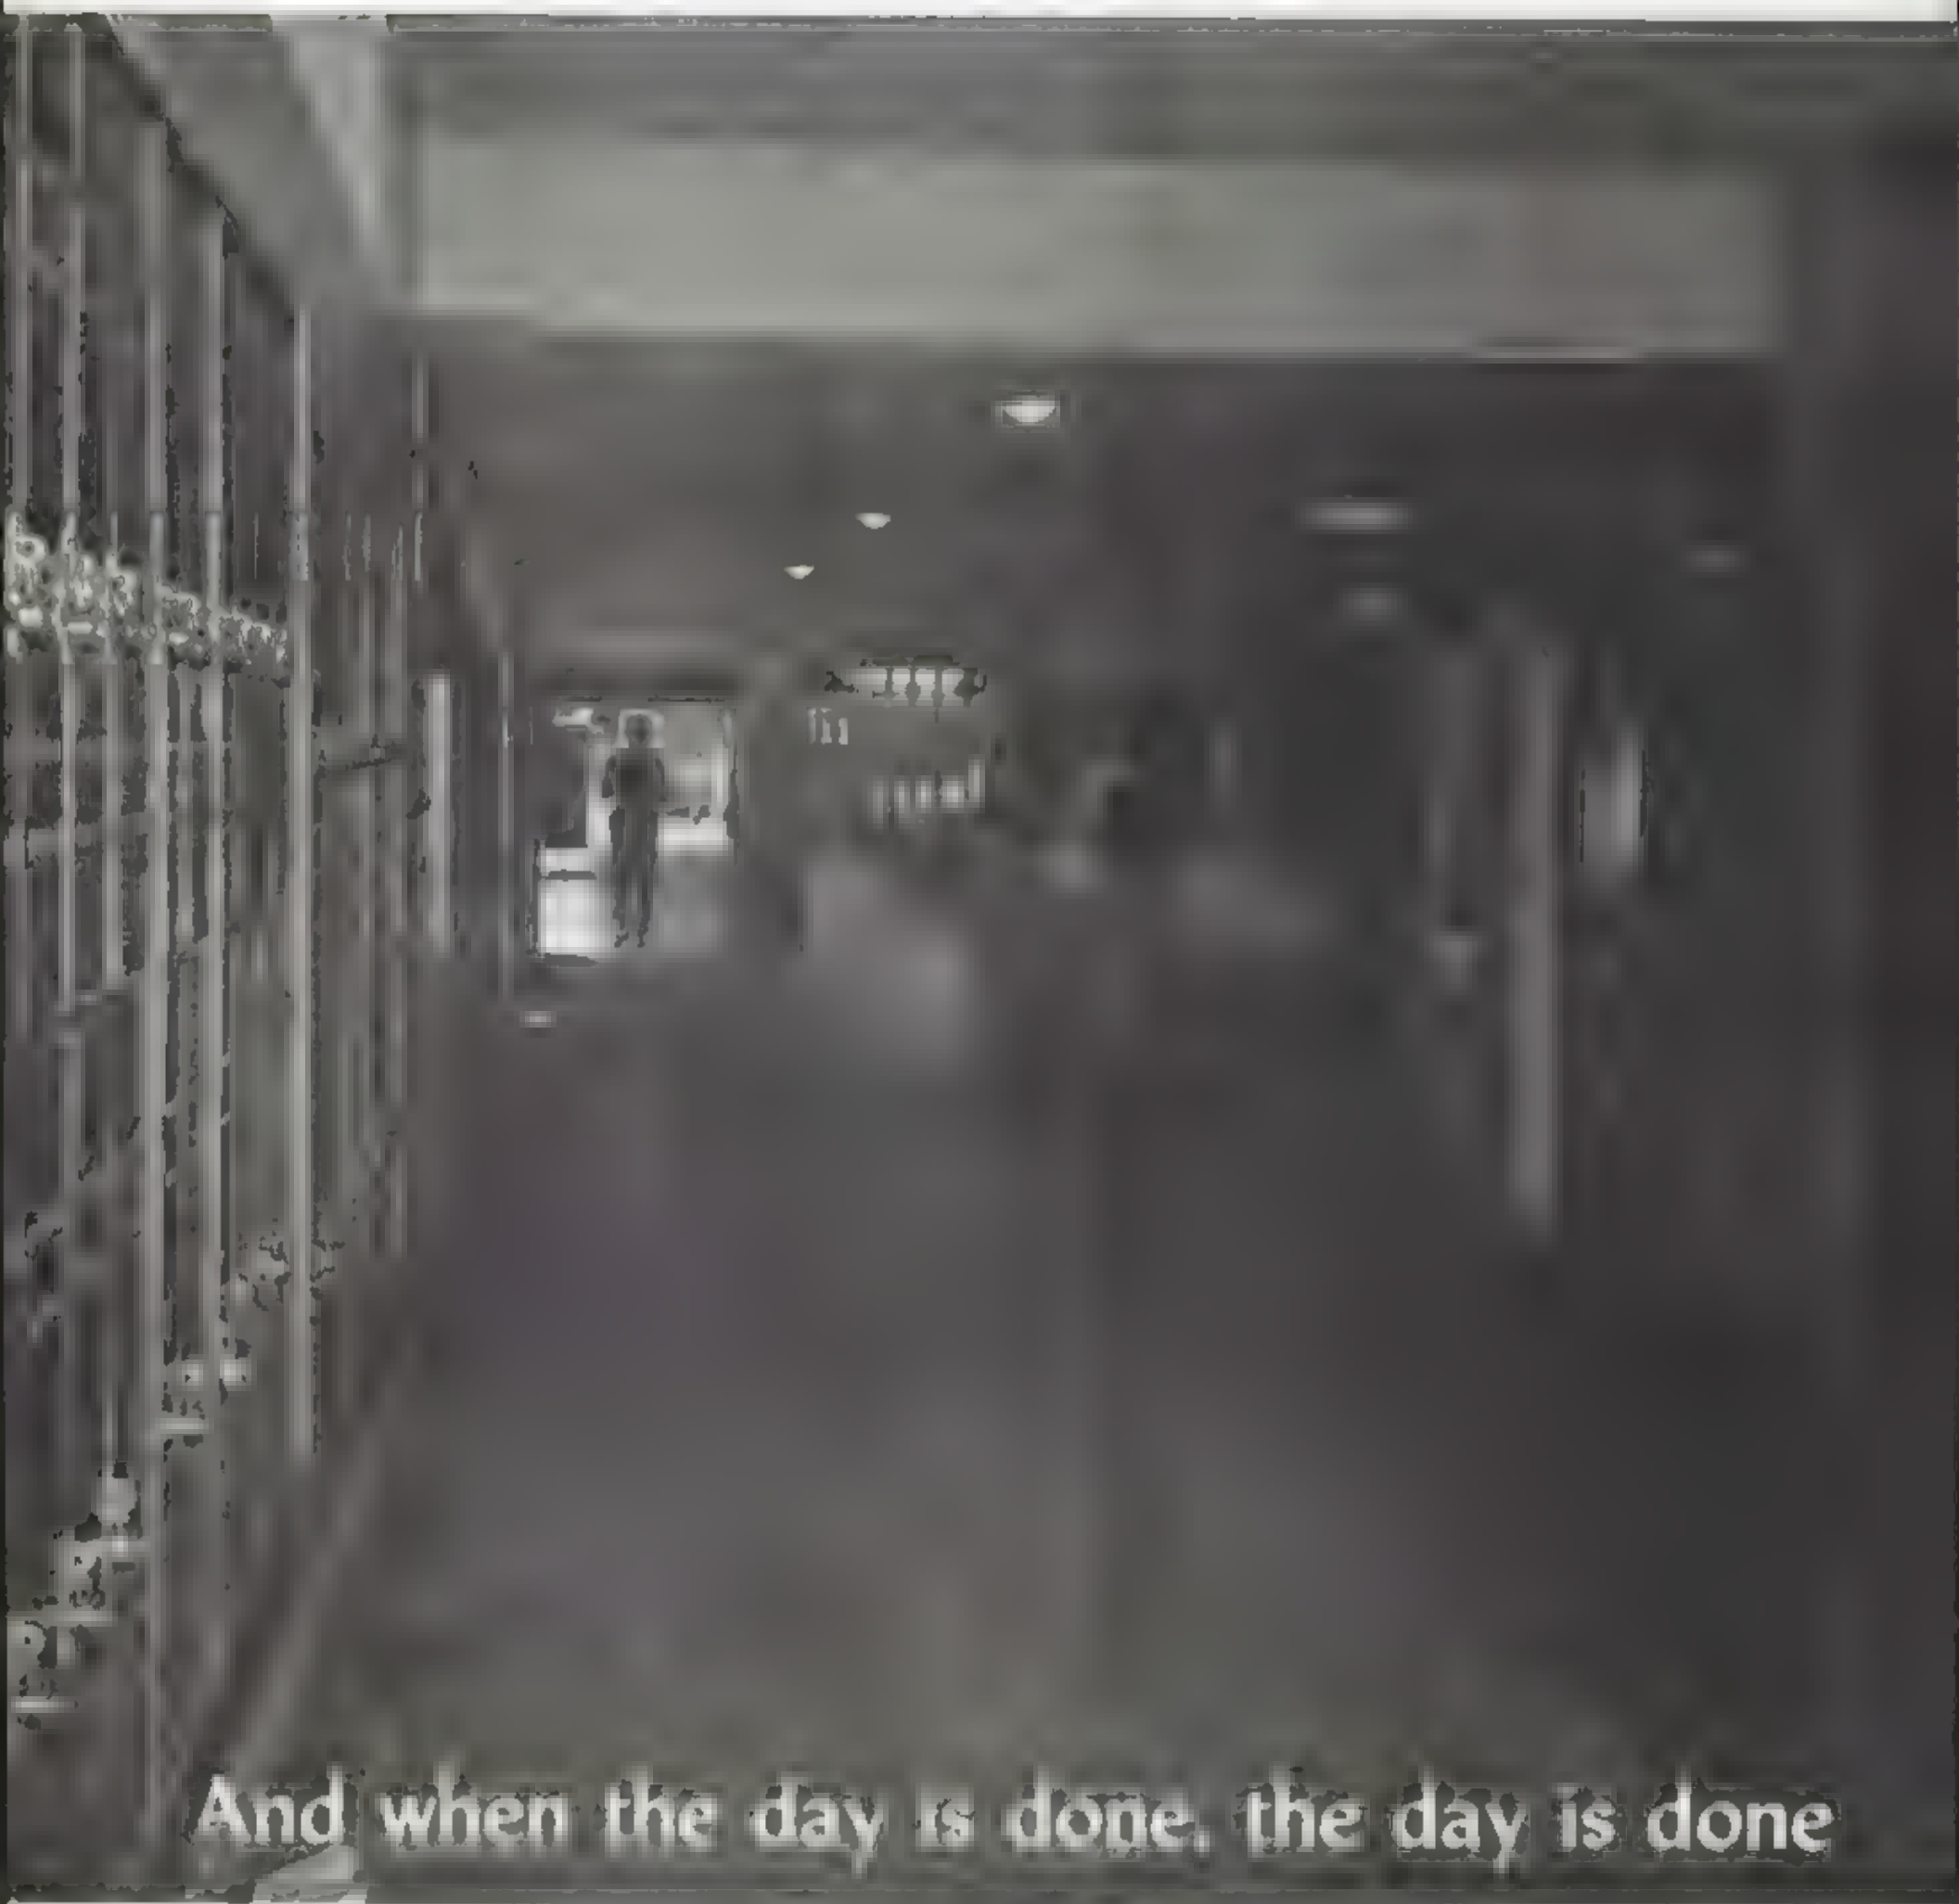

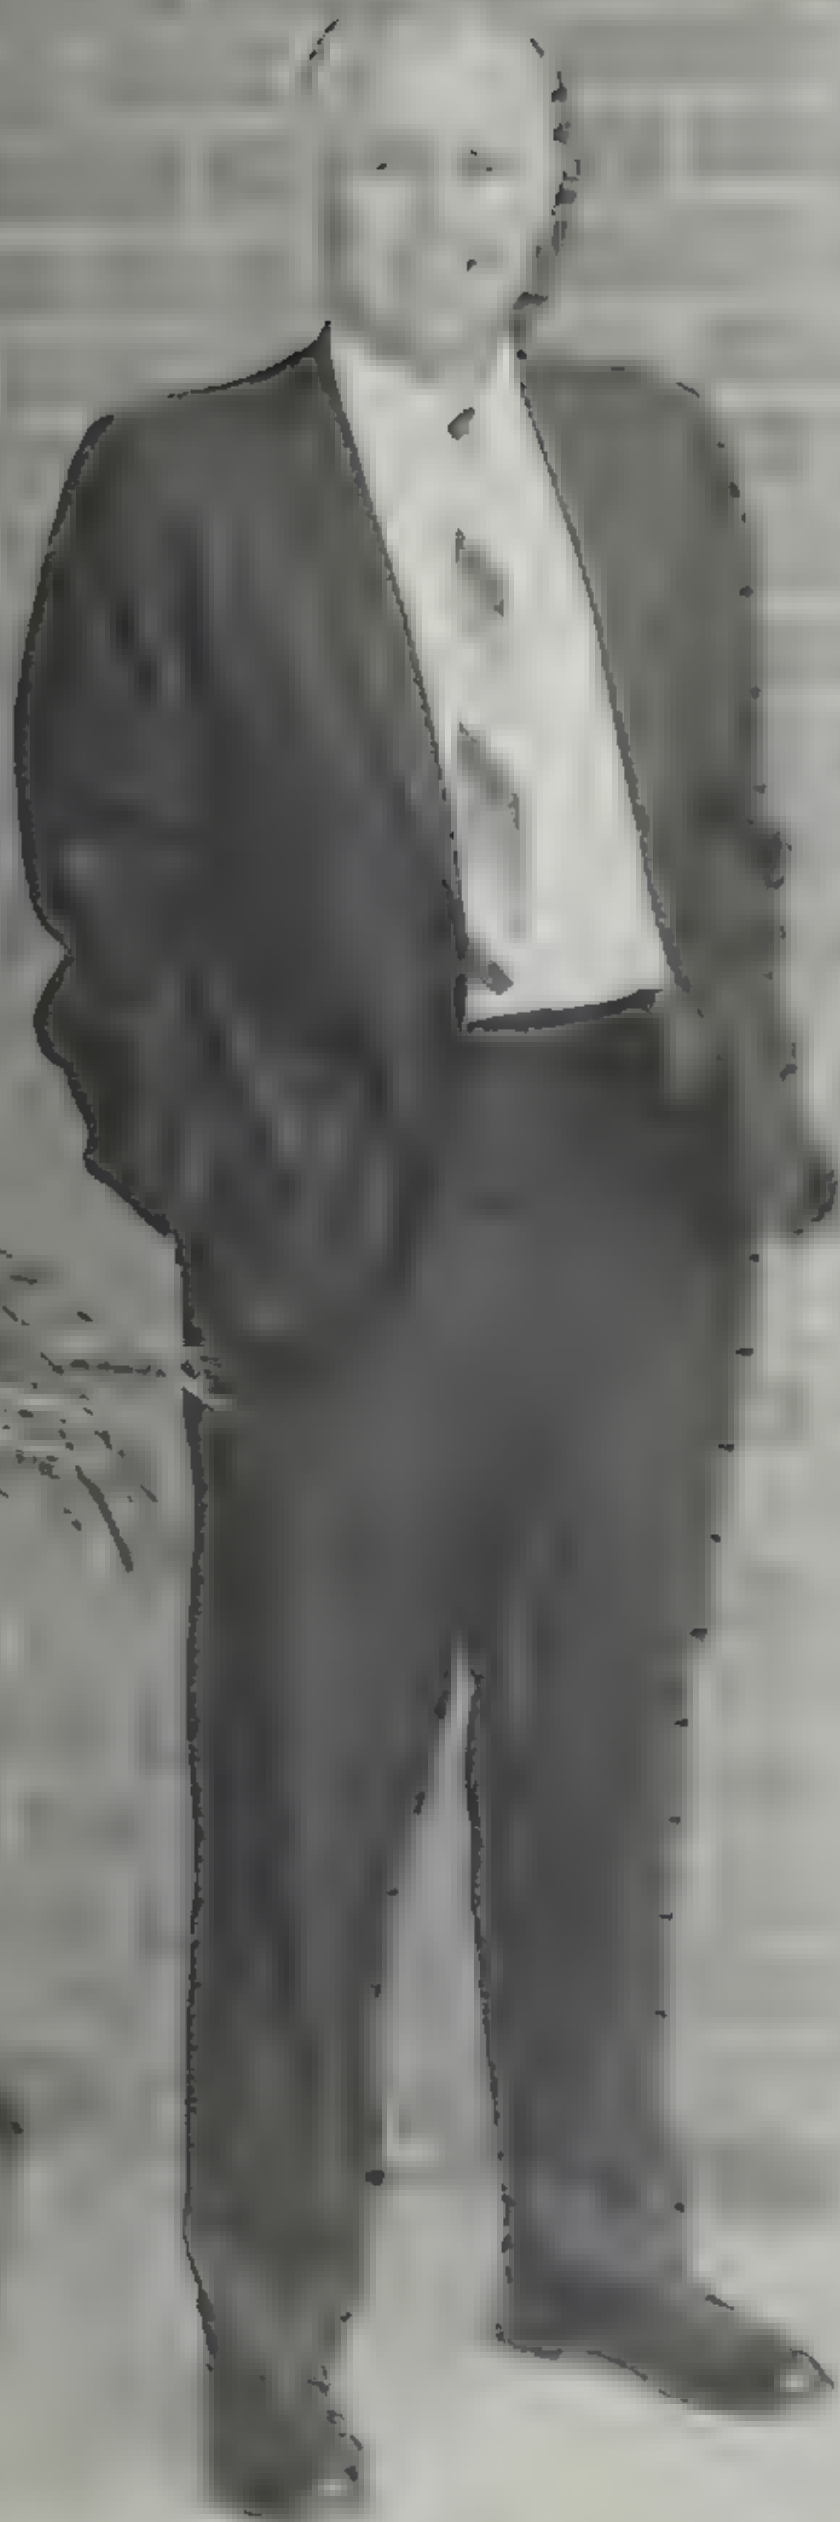

This day will last
a thousand years
if you want it to

And when the day is done, the day is done

Mr. G. Don Smith

He loves people and enjoys being around them

At the beginning of the year few Komets were aware that a new principal had come to Kearny. In fact, when he was introduced as being from Kearny at an SDASC conference, a question asked was what he did there. His embarrassed reply was, "Would you believe I'm the principal?" Although many of the students never had a reason to speak or be involved with him, Mr. G. Don Smith was soon known for his kindness and concern toward them.

He came to Kearny this year, after being on the faculty and/or staff of seven San Diego County schools. He taught Physical Education at National City Junior High and Mar Vista High. He was also vice-principal of Mar Vista, Lincoln, Morse, Horace Mann, and principal of Snyder and O'Farrel. He has the qualities of a fine principal and has put them to use here at Kearny, just as he did at his former schools.

Mr. Smith was born in Tulsa, Oklahoma, but has lived most of his life here in San Diego. He went to San Diego State College, where he received his masters degree in Administration.

He is very active and has many interests. One is sports, especially golf and basketball. In fact, he coached the basketball teams at two of his former schools. He loves people and enjoys being around them.

Mr. Smith thinks Kearny and its students are great. He is very much for school spirit and believes that the school is there for the students. His advice for them is: if you have a job to do, do it—don't make excuses, and be willing to give as well as receive. We are very fortunate to have such a great principal here at Kearny, and we hope to see him next year.

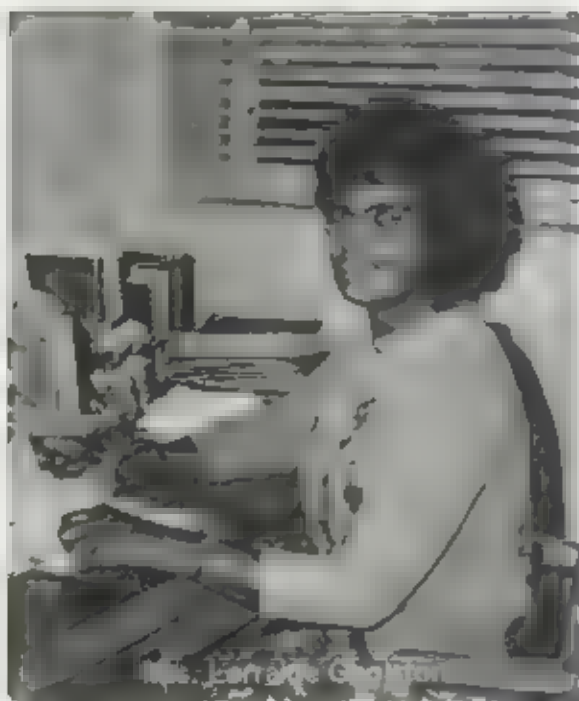

Administrative duties on capable shoulders

Although Mr. Rock has been at Kearny for only two years, he has shown true interest in the students. He went to San Diego State College, where he earned his Bachelor of Arts and Masters degree. Mrs. Wiseman attended Claremont graduate school, where she received her secondary administrative credential and Masters. She has shown dependability and understanding as our Girls' Vice

Principal. Mr. Lepore has been an excellent administrator here at Kearny for three years. He received his Masters degree in History from USIU. Mr. Wilson was added to our staff last year and has done a fine job as administrative assistant. He got his Bachelors degree from USIU. Working together, they have done a fine job

Because almost every occupation deals with mathematics, it has become an essential part of a high school student's education. Kearny's math department has provided this opportunity for its students and has done their very best to promote a good understanding of this important subject.

Big Sister - Little Sister Tea leads Kearny into new school year

Once again this year the Big Sister-Little Sister Tea succeeded in kicking off the new school year. Sponsored by Girls' League, with a big assist from the Dianas, the Tea has become a traditional event at Kearny. This year the Tea began with welcoming speeches by ASB president Terry Owens, Girls' League president Debbie Duncan, and GAA president Margaret Gogo. A fashion show was the next item on the agenda, and as Mrs. Stein narrated, the Song and Cheerleaders, along with last

year's secret seven and ten best dressed girls, paraded their own fashion creations. The highlight of the program was a short, relevant speech by Pastor Jimmy Johnson. Following this, the sophomores and their big sisters retired to the cafeteria for some delicious refreshments, and then proceeded on individual tours of the Kearny campus. Everyone then returned to their homes to prepare for the beginning of school on Monday of the following week.

The game against the Grossmont Foothillers at Aztec Bowl was a passing game. Gene Watkins threw three touchdown passes to Ed Evilsizor, Dwight McDonald, and Ed Shoen of 44, 7, and 9 yards respectively. At the half, the score was 21 to zero in favor of the Komets. We had a slow third quarter while we were stuck at the border of the Foothiller's end zone, just yards from a touchdown. Shay MacFadden missed a field goal attempt and the ball was in active play once more. Ted Mack intercepted a Grossmont pass on the Foothiller's forty yard line and ran for Kearny's fourth touchdown. In the last two minutes of the game, Grossmont finally scored after a long stand just feet from the Komets end zone. No extra point was scored. Shay MacFadden had a perfect day with all of his extra point attempts successful. The final score: Kearny 28, Grossmont 6.

Kearny's second non-league game was played against San Diego. With a lot of hard work from our accomplished team, most of whom played on our varsity squad last year, Coach Slater charged after another Western League Championship and the CIF championship which we have so sorely missed for the past two years. The Komets got off to a blazing start by defeating the Cavers with a score of twenty-one to seven.

'69 Harriers stride forward

The 1969 cross country team has had a very unimpressive season this year. Coach Richard Smith said that this was a building year for the harriers, since the championship team of last year graduated. Returning seniors include Bob Fahn, Mike Myers, Mike Richards, Ray Shaw, Craig Bennet, Cliff Connors, Brian Loucks, Bob Langefeld, John Albers, Mike Siefert, Tom Twomey, and Bob Maher. Returning lettermen are Bob Fahn, Cliff Connors, Ray Shaw, and Mike Myers. Though this year was not outstanding, it provided valuable experience and training for our future teams of 1970 and 1971.

'69 Gymnastic team climbs high for league title

Kearny is striving for another great year of gymnastics, and with the leadership of Scott Jones and the support of our already experienced team, the Western League Title is almost sure to be the Komets'. Returning lettermen are Scott Jones, Ed Dunn, Steve Grubbs, and Bobby Svasina. This year is a building year for the incoming sophomores, and a polishing year for last year's varsity team members. This year our top man, Scott Jones should take the C.I.F. individual overall championship as he came in second place last year. Because of the bulk of sophomores comprising most of the team this year, our next year's potential is enormous

After winning both of their pre-league games, the seemingly invincible Komets started their first game of the Western League, and barely won the first important game of the season. Terry Thompson started the scoring with a touchdown in the middle of the first quarter. The extra point attempt failed and the score remained six to zero, the Komets favor, until the second quarter began, when the Clairemont Chiefs picked up three points on a Komet fumble. Before the gun sounded for the half, Kearny fumbled the ball again but no score was made by Clairemont. After this inferior first half, and a few words from coach Slater, the Komet pack charged out of the locker room fit to kill. On the kickoff, Ed Evilszior snagged the ball and ran eighty-seven yards for our second touchdown, making the score, Kearny 13, Clairemont 3. After this spurt of energy, however, the Komets settled back into the poor form that characterized this game. A Clairemont pass was caught in their endzone and their extra point was good to raise the Chief's score up to within three points of Kearny's score. No one scored in the fourth quarter and the game ended Kearny 13, Clairemont 10. Kearny's varsity squad was lucky to win this game and a worried Mr. Slater started to shape his team into the champion mold of the previous year. After a week of grueling training and pep talks, the Komets took on Crawford with the style of CIF champs. This game marked the up and down swing that made this season the most exciting one that Kearny has enjoyed for many years

The highpoint of our football season was our game against the Crawford Colts. Kearny broke three school records, three Western League records, and two C.I.F. records. The final score of the game was a steep Kearny 70, Crawford 0. The Komets' score broke a school and league record, falling two points behind a new C.I.F. record. Shay MacFadden broke all the records with ten conversions in one game, while Terry Thompson did the same with his ninety-seven yard dash for a touchdown. Kearny's third non-league game had four Komets averaging twenty yards per carry on the deadly tailback drive off-tackle maneuver. Terry Thompson (21.1) Larry Waters (19.6), Johnnie Walker (20.8), and Ed Evilszior (25.5) Waters rushed for three touchdowns while a possible fourth one was nullified by an illegal procedure penalty. Walker and Thompson both scored twice. Thompson's first on his ninety-seven yard sprint for the score. Coach Slater put the second string on the field when the score climbed to 48 to 0, late in the second quarter Bill Gadd established himself as an excellent quarterback on his first assignment. He coolly directed the team to a touchdown on the second play. The Komet defense held the Crawford rushers to two yards, on eighteen carries. Their total offense was a mere 70 yards. The final score again; Kearny 70, Crawford 0

There was great excitement at the famous football game between the University Dons and the Kearny Komets. Since many of the Dons are boys who live near the Komets and who have attended Kearny at one time or another, the tension was tremendous as the fans awaited the outcome of this popular game. The Komet defense squad was voted the number one defense squad in the Western League and this night their defensive actions stopped all of the Don's air and ground offense maneuvers. The Komet offensive unit also proved their worth as the Kearny gridiron champions reached three touchdowns for a grand final total of 21 points. Coach Birt Slater of the varsity teams was the unifying force behind all of the Komet's victories and especially this one. A former alumni of Kearny, Coach MacDonald, led the futile Don attack against his former school. The final score of this game was, Kearny 21, University zero. The Komet fans had never seen such an exciting game of football

Girls' Athletic Association plans full slate of activities throughout the year

1969-1970 GAA officers include Historian Bina Gogo, Vice President Linda Bartz, President Margaret Gogo, and Treasurer Gloria Jimenez. Not shown is Secretary Judy Brandt.

Once again this year Kearny High was well represented in the arena of girls' sports. The Girls' Athletic Association, more commonly known as GAA, is one of the most active groups on campus. Its stalwart members have participated in such sports as Tennis, Track, Badminton, Volleyball, Field Hockey, Rifle Club, and Gymnastics. Most sports consist of a varsity team which competes against girls from other Western League schools. By practicing after school, competing in varsity meets, and helping out on various GAA projects and functions, girls in the club may earn points, as they strive to achieve the coveted position of Lettergirls. Aside from its regular competitive activities, GAA sponsors candy sales, a Welcoming Party for sophomores in September, a Spring Picnic, and the Annual Awards Banquet, which is held in June. This year GAA was honored as it presented a fourth-place float at Homecoming, with the appropriately entitled theme of "Charlie Brown's All Stars."

The first event of the year on the agenda of GAA was the annual welcoming party for the sophomores in September, which was opened with a speech by president Margaret Gogo, as officers, managers, and interested members look on.

The La Jolla Vikings provided the opposition for the Kearny Komets in the Komets' 1969 homecoming game. As soon as the ball was kicked, starting the game, it was apparent to everyone that the Vikings were outclassed in speed, strength, and endurance. In a game which saw an evenly balanced rushing and passing attack, the Komet offense scored six touchdowns, and a thirty-nine yard field goal booted by Shay MacFadden. Kearny's scores came from a thirty three yard pass completion to Ed Evilsizer, pitched by Gene Watkins, and a ten yard shot from Watkins to Armstrong. In the third quarter junior quarterback Bill Gadd entered the game for the second time this season and heaved a sixty-seven yard strike to fellow junior Ed Shoen for another touchdown. The Komet ground game was also effective as Johnnie Walker, Terry Thompson, and Robert Edwards provided scores by rushing. The outstanding defensive unit held the Vikings to a minus one yard in rushing and only a slight 115 yards in passing in a game which proved that our defense was the best in the entire Western League. At the end of this enjoyable game, the score stood at a solid Kearny 45, La Jolla

Kearny Mission Bay

As Kearny and Mission Bay renewed their football rivalry, Kearny was number one in the county and a thirteen point favorite over Mission Bay. However, Mission Bay took the opening kickoff and marched to the Kearny fifteen. After a penalty, a Buccaneer kicked a thirty seven yard field goal. This was enough to inspire the Mission Bay offense. They produced a touchdown in the second quarter and led ten to zero at the half. After a scoreless third quarter, Terry Thompson gathered in a screen pass and ran for fifty-eight yards and a Komet touchdown. Shay MacFadden converted and the score stood at Kearny 7, Mission Bay 10. The defensive teams then prevailed until late in the quarter. The Komet offense was to have another chance when on a fourth down play the Mission Bay punter was tackled before he could get the kick away. The Komets capitalized on this break by marching to the Mission Bay seven yard line, then topping off the drive with a pass from Gene Watkins to Ed Shoen for the game winning touchdown with only a hair-raising twenty-five seconds remaining in the game. The final score was Kearny 14, Mission Bay 10.

Class elections begin year with fresh start

Elections in October were excitingly awaited by all K.H.S. students. Campaign posters and banners covered cafeteria windows publicizing the elections for class officers and girls' league positions. Petitions were signed and name tags passed out. Assemblies were given in the auditorium October sixth and seventh. Candidates gave speeches, trying to win votes from the people. Elections were held on October eight during all three lunches for those students with voters registration cards. Run-offs for the officers were held on October tenth. Elected class presidents were senior Frank Kossyta, junior Catalina Nocon and sophomore Ricky Christian.

Paula hands Barbara a voting ballot preparing her for student participation.

Many students, like Candy and Judy, took part in class elections this year.

Different strokes for different folks: Everyday People

Everyday people made Kearny's 1969 Homecoming an unquestioned success. The Homecoming activities were held on October 24, beginning in the early afternoon, with the alumni coffee clutch. The day's activities were concluded with a Komet victory over the La Jolla Vikings. This year's Homecoming honored the past classes of 1950 and 1960. Through the guidance of Teri Koons and many others the Homecoming events ran smoothly.

The winning float was entered by the Senior Class, and was titled "Man on the Moon." It was decorated with bright white flowers and a beautiful American flag. The second place float was entered by the AFS. Its theme "Walk Together Talk Together" was beautifully depicted in the costumes of many countries. Through the efforts of many hard working Juniors the Junior Class float was given the third place award. "Clocks" was the theme chosen and portrayed by the Junior Class.

The excitement was great as the Homecoming Queen, Juli Evans, was crowned at Mesa College. The 1969-1970 Song and Cheer leaders along with the alumni Song and Cheer leaders were there and helped to create an atmosphere of Komet school spirit. The day could not have ended better than by the overwhelming Komet victory of 45 to 0.

Bob Fahn led the Kearny cross-country team through a mixed year. The Komets won four of their seven league meets, beating St. Augustine, University, Mission Bay, and La Jolla. Although outstanding runners such as Bob Fahn, Ray Shaw, Mike Myers, and Cliff Connors were on Kearny's Varsity Squad, the team didn't participate in the CIF meet because of their low standing in the preliminary meet, against the superior teams of the Western League and the county. The great grid rivalry between Point Loma and Kearny continued this year. In a pre-game analysis it seemed that the Komets would find little competition in the Pointers as their squad had been depleted by disciplinary action. This seemed to be evident on a twenty-three yard sprint around right end by Watkins after only six plays. On the ensuing kickoff, a startled Pointer was tackled in the endzone for a safety. The "bird dogs" then pulled themselves together and allowed only two touchdowns in the remainder of the game. These came on short passes to Dwight McDonald and Ed Evilsizor. After this brief rest in a series of hard won victories, Coach Birt Slater started concentrating on the CIF match. The final score of this game was, Kearny 21, Point Loma 0

The Western League Champions, Kearny Komets took on the Madison Warhawks in an attempt to finish league play undefeated for the second year in a row. The Komet offense was the most potent in the league but they ran into trouble against a fired-up Warhawk defense. The only score came on a late fourth quarter pass to Ed Shoen from Gene Watkins. The powerful Komet defense held the Warhawks to fifteen yards on the ground and no yardage through the air. This, along with the many other great defensive efforts, earned the Komet defense top rating in all defensive categories. The Kearny Komets won this game and for the second year in a row the Komets remained undefeated in the Western League championship. Coach Slater remarked that he was optimistic about the success of Kearny in the CIF duel because of the fantastic ability of his varsity squad. The final score of this game was, Kearny 7, Madison 0

The C.I.F. Prelims between the Kearny Komets and the St Augustine Saints showed that although the Komets were practically unbeatable, they were not invincible. The Komets got off to a good start by making the first score. A pass by Gene Watkins was carried home for the six points, but from then on it was down hill for the Komets. The Komets started slipping with the loss of the extra point. From there the game fell into stalemate until the second quarter when the Saints capitalized on a fumble by the Komets. Saints scooped up the ball for the touchdown. The game slumped into stalemate a second time until the fourth quarter, when St. Augustine rushed in for the final touchdown. The final score, the heartbroken Komets 6, Saints 14

Gymnasts snag CIF title

Even though Kearny lost all of its dual meets in the Western League battle, the Komet gymnastic team took a second place trophy in the CIF meet. Kearny's team had three outstanding men this year; Scott Jones, Steve Grubbs, and Eddie Dunn. There were nine events in the CIF meet, seven of which Scott Jones entered and won, making him the top gymnast in San Diego. The efforts of Steve and Eddie, along with Scott, boosted Kearny into the number two spot in the city. This remarkable result; being last place in the Western League and taking second place in the city was due to lack of experience that the sophomores on the team had, a situation which will be corrected next year under the diligent training of Coach Neil Krause.

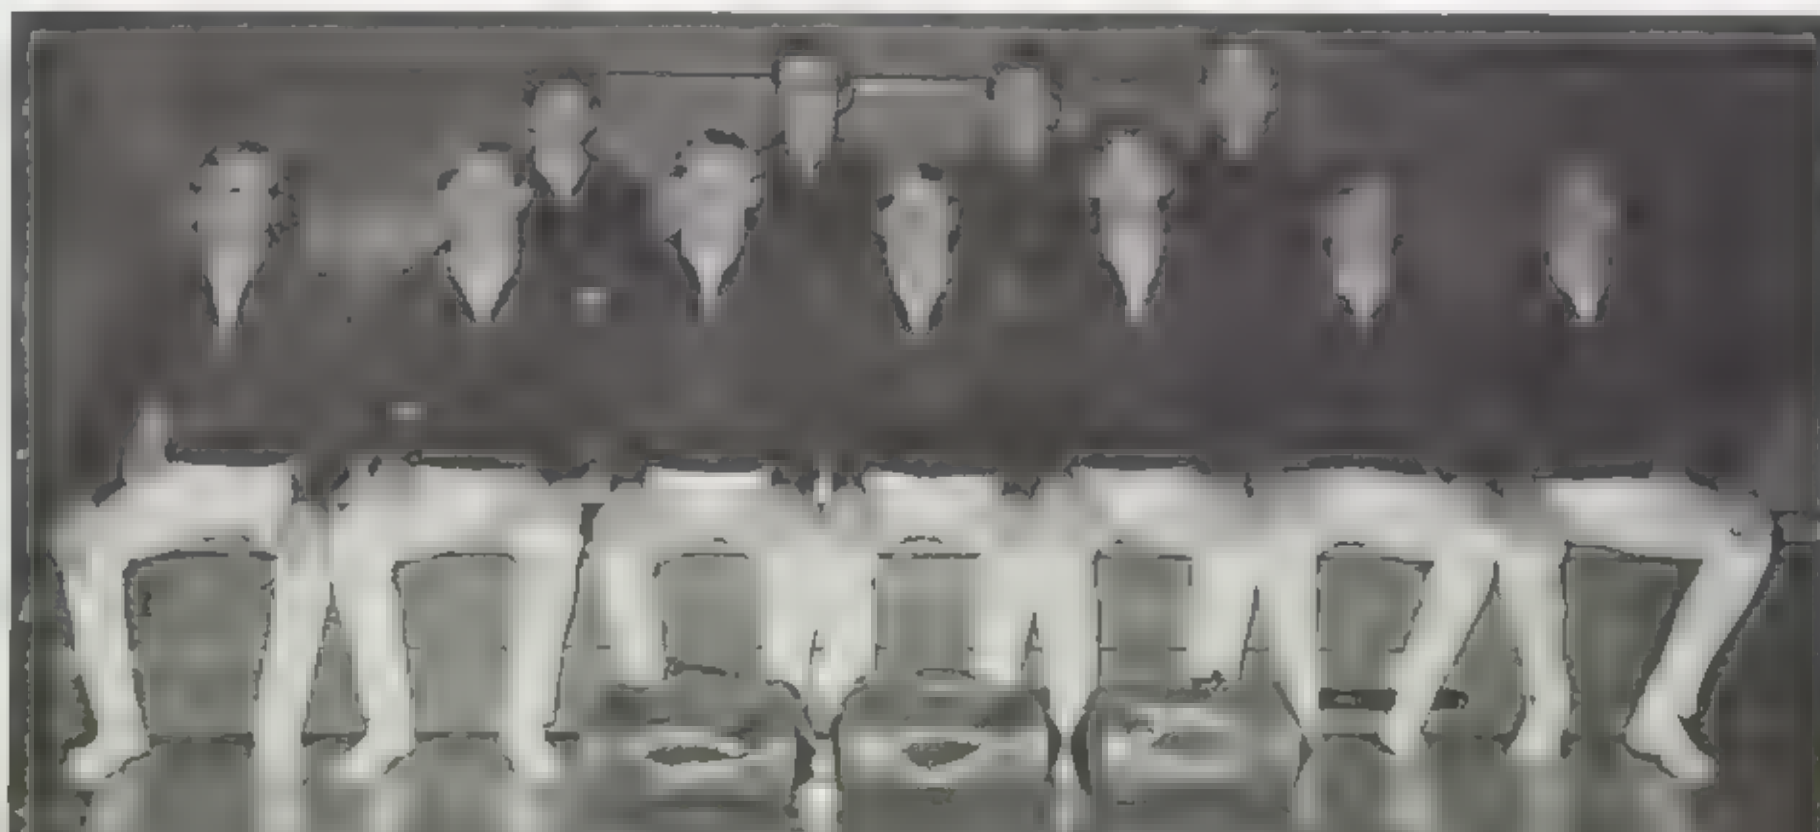

Coach Neil Krause trained this year's squad of talented gymnasts with pride. During the CIF meet, Coach Krause wasn't too hopeful that Kearny would place at all. The fact that they did take a second place trophy was the high point of Krause's year. He is also happy because some of the best men on the varsity team were juniors, like Eddie Dunn and Bobby Svacina, and will return in the fall of next year for another wonderful season of champion gymnastics.

Eddie Dunn and Scott Jones survey the action of the opposing team during one of the gymnastic meets held in the Kearny High gym this year.

J.V. Football storms ahead

This year's J.V. football team raced through the season, leaving all others in the dust. Everything the Komets did came out an example of perfection. Coach Griffith had the right combination of exercise and drill to make an outstanding football team. Some of the athletes who performed professionally on the defensive team are: Rockne Chounard, Jamie Merrill, Gary Van Liew, Mile Youngs, Willie Matson, and Robert Griffith. The outstanding athletes of the offensive team are: Jerry Waldvogel, John Jones, Mike Person, Jesse Martinez, and Chester Hancock.

He caught me running with Lucius Atherton. We quarreled and I told him never again to cross my path. Then he stole the hope and went far away. Back of every soldier is a woman.

All, all are sleeping on the hill

The production of *Spoon River Anthology* was given special effect when the audience sat on stage with the performers. This arena performance increased the communication between the actors and audience.

As many as fifteen different characters were portrayed by each actor and actress. Each actor moved quickly from role to role and brought with him a changing character. All the warmth, humor, and savagery of the world were brought to life on stage through the enactment of this play.

All in the cast were dead, yet the graveyard of *Spoon River* came alive as each

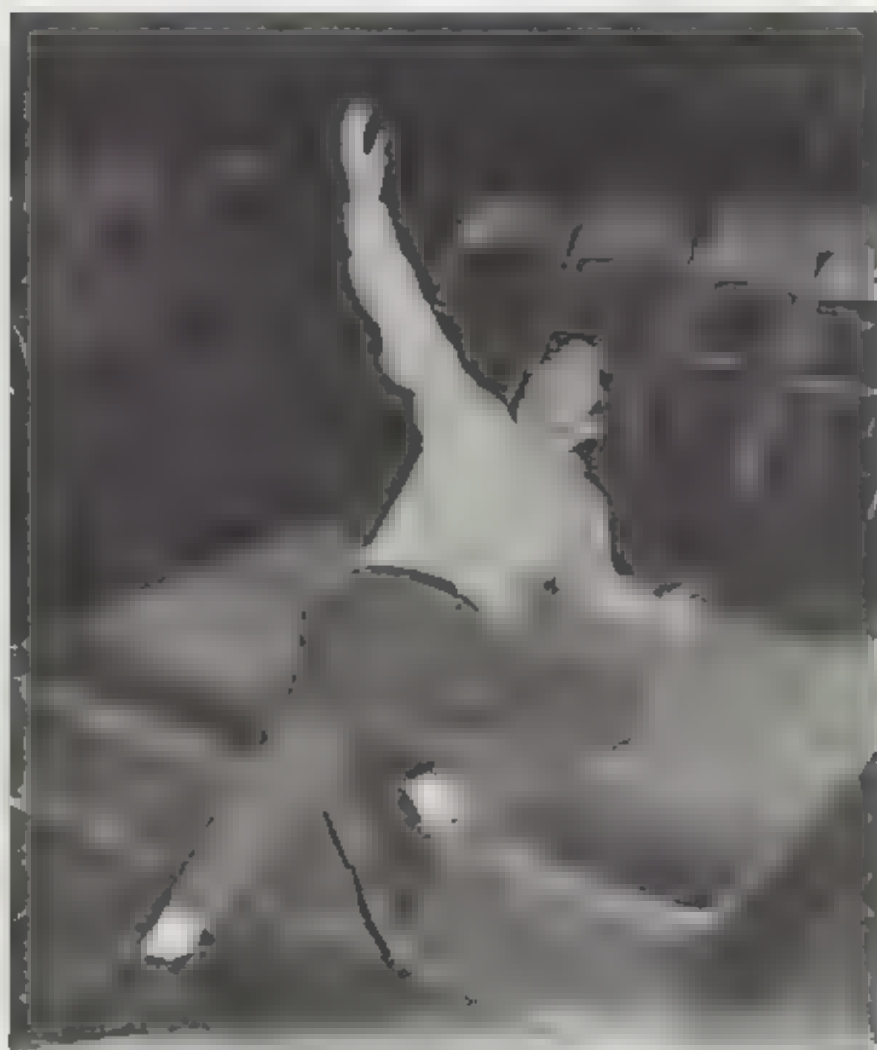

character revealed their soulful spirit. From the grave they spoke of epitaphs, each discovering what had helped or hindered them during their lifetime.

Through Terry Tom, student director, and Mr. Winans, drama instructor, Edgar Lee Masters' *Spoon River Anthology* was made possible.

The stage setting for *Spoon River Anthology* was very simple: four box seats and a small stage in the center. Each box contained accessories necessary for the different characters such as hats, scarves, pipes and aprons. —Photo credit John Gerardy

Spoon River Anthology, Kearny's first dramatic product on sell out, played to a full house for five nights starring Mike Munger, Nina Midlam, Jimmy Matheson, and Ter Koons. With a cast of seven it was a great success.

Tennis team bounces back to win

A season that began bright with promise for the varsity girls' tennis team ended in a series of unexpected disappointments. The season was opened with a practice match against Sacred Heart that could only be termed a dismal failure. However the team bounced back to give perennially strong La Jolla a tough battle to begin the season, in a game that was closer than the 1-6 score would seem to indicate. Successive losses were recorded to the teams of Madison, Clairemont, and Point Loma. In spite of these setbacks the season was saved by a last ditch effort to defeat Mission Bay in the final game. Mainstays of the team this year are seniors Vicki Hallman, Paula Taylor and Dianne Naffke. Next year's returning varsity members include juniors Bina Gogo, Cheryl Landay, Cheri Morante, Barbara Wise, Martha Vallejo, and Mae Alonsagay and a sole sophomore Anne Loucks. Many others show good promise and should be an asset to next year's team.

Wrestlers maul rivals

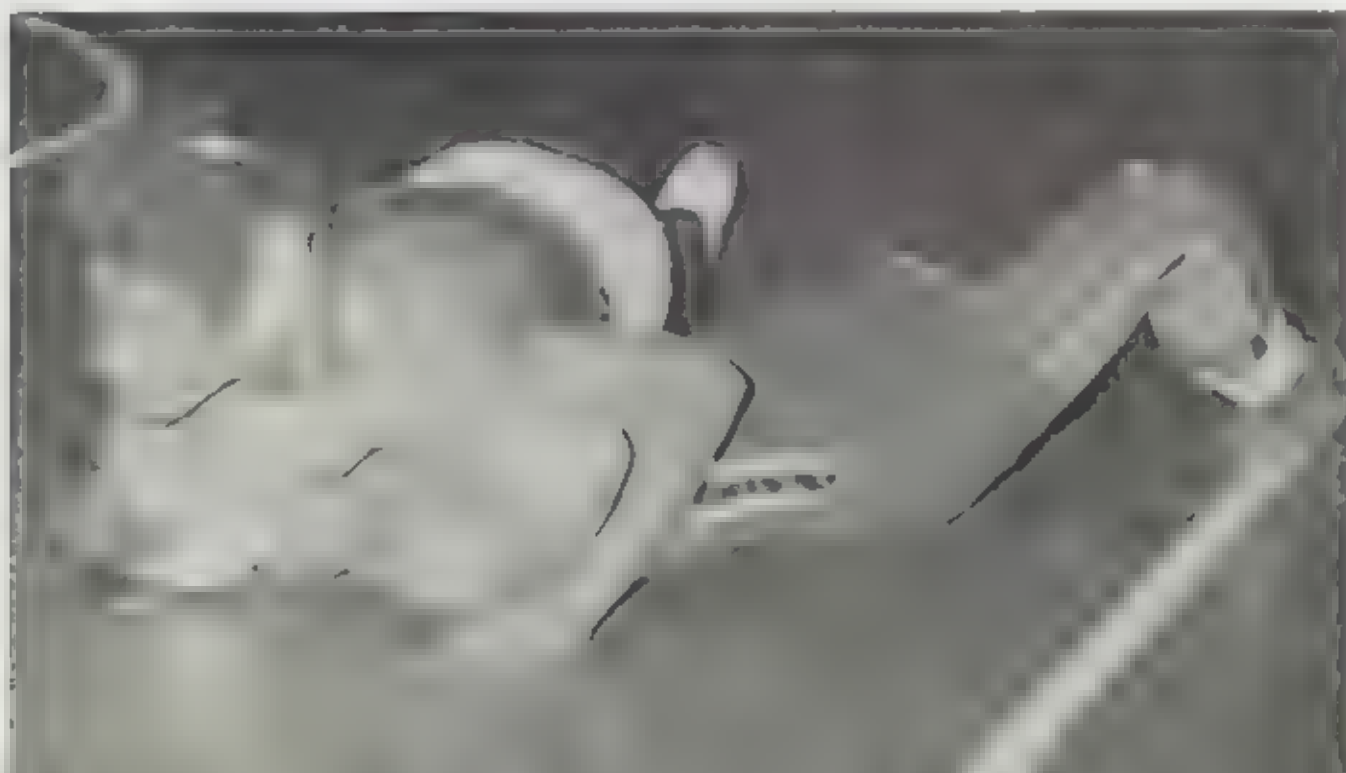

The 1969-1970 wrestling team is the best team that Kearny has had for the past few years according to Varsity coach Tom Barnett. Seniors Ted Mack, Smokey Kinsey, Larry Rhodes, and Ted Dean led the varsity squad this year. Coach Barnett said that Rhodes, along with up and coming junior wrestler Nick Perpich, have improved 100% over their last year's performances. Grapplers Joe Quesada, Brian O'Neal, and Carlos Guassac are the other big men on the wrestling team. JV members Keith Royer, Larry Kaplan, Tom Buhlman, Ron Williams, Rob Griffith, and Paul Rojas were all capable of stepping into the varsity wrestlers shoes this year. Coach Barnett is looking forward to another successful year with such fine material to work with.

With a large number of Sophomores on the varsity, this year's Volleyball team had to endure a rebuilding process. The results, however, will be well worth the effort, as twelve members will be returning again next year. Improvement was evident throughout the year as the team posted increasingly closer scores, although suffering losses to Madison, La Jolla, Claremont, and Point Loma. The team gave its strongest effort to defeat Mission Bay in the final game of the season.

Miss Shelley valiantly led the Volleyball team to an enjoyable, if not too prosperous season.

Komet Cagers have their ups and downs

Coach Short gives helpful tips to the Komets

The Komet five showed signs of inconsistency in the pre-season holiday tournaments. Although they managed to squeak by Morse in the first game of the Kiwanis tournament by a score of 60-53, they lost to San Diego in the second game of that competition. In the University Tourney, however, the Komets came alive to win their second straight consolation championship. After an opening round loss to Hilltop, juniors James Ross and Dave Bartholemew, led the cagers to successive wins against Granite Hills, Clairemont, and the host team, University. Ross was the second high scorer in the tournament as he tallied 100 points, six points behind the high score of 106. Bartholemew scored 78 for his four game total even though he fouled out in three of the four games

Christmas program, season begins

Kearny's annual Christmas program this year carried a non-religious theme and was presented by the Girls' Choir under the direction of Mr. Keene Stollsteimer. The program began with the Telstar traveling to the Philippines with an authentic Hawaiian dance. Next to France with the choir singing "Beneath the Mistletoe." Traveling on the choir brought us to Scotland with a sword dance. To Mexico we went when the choir sang "The Shepards Story." Last, United States with the songs "Snow," "Pin a Star on a Twinkling Tree," and "The Meaning of Christmas" by the choir. The highlight came when Santa and his Reindeer danced and threw candy. The program ended with the choir singing "Have a Holly Jolly Christmas," and "The Hallelujah Chorus."

During the performance of Kearny's Christmas program the telstar satellite traveled to the United States. With Mr. Stollsteimer directing, the choir sang the song "Snow" and created an illusion with fake snow.

The dancers for the Christmas rendezvous dance were Terry G. Gwen Reid, Randy Rogel, Pam Simpson, and Sabrina Pellicano.

They were the highlight of the Christmas program. The audience was greatly entertained by their exciting dancing.

Komet giants dunk league

Coach Wayne Colborne had high hopes for his varsity basketball squad this year, but as the season progressed the team barely held their own against their Western League opponents without any outstanding victories or winning streaks. The first string consisted of men from the able-bodied crew of varsity players such as Scott Hitchcock, Eddie Ganeles, Jesse Martinez, Bob Kostlan, Art Patino, Mike McLellan, Larry Waters, Bob Hlavac, Dave Bartholomew, James Ross, Jim McCoy, and Hershel Thompson. The few juniors on the varsity squad will have gained enough skill over the year to lead next year's Komet Five to a decisive victory over the Western League teams and, with hard work and training, the CIF battle

Christmas Is . . . the ASB Ball 1969

Christmas Is . . . was the theme chosen for this year's winter A S B Ball. The activities of the night were held at the Masonic Temple in Mission Valley. Steve Grubbs was crowned King of the Ball by Tim Bick. Standing with Steve is Jackie Smith. The December 12th A S B Ball was a success and was enjoyed by all who attended.

The members of the "Flying Cyborg Brothers" band provided the music for the evening. Kearny Kearns danced from 8:00 till 12:00. The room was beautifully decorated in red, green, and gold. The students from the Junior Class supplied the refreshments as well as serving as waitresses.

The members of the Vietnam war panel were from right to left: Adrian Marine, Sam Seligman, Brian Loucks, moderator Tom Twomey, and historian Lou Dall. The panelists researched different views on Vietnam

policy, and presented them to audiences during all three lunches. Excitement was in the atmosphere.

Moratorium Day; December discussion held on the Vietnam War

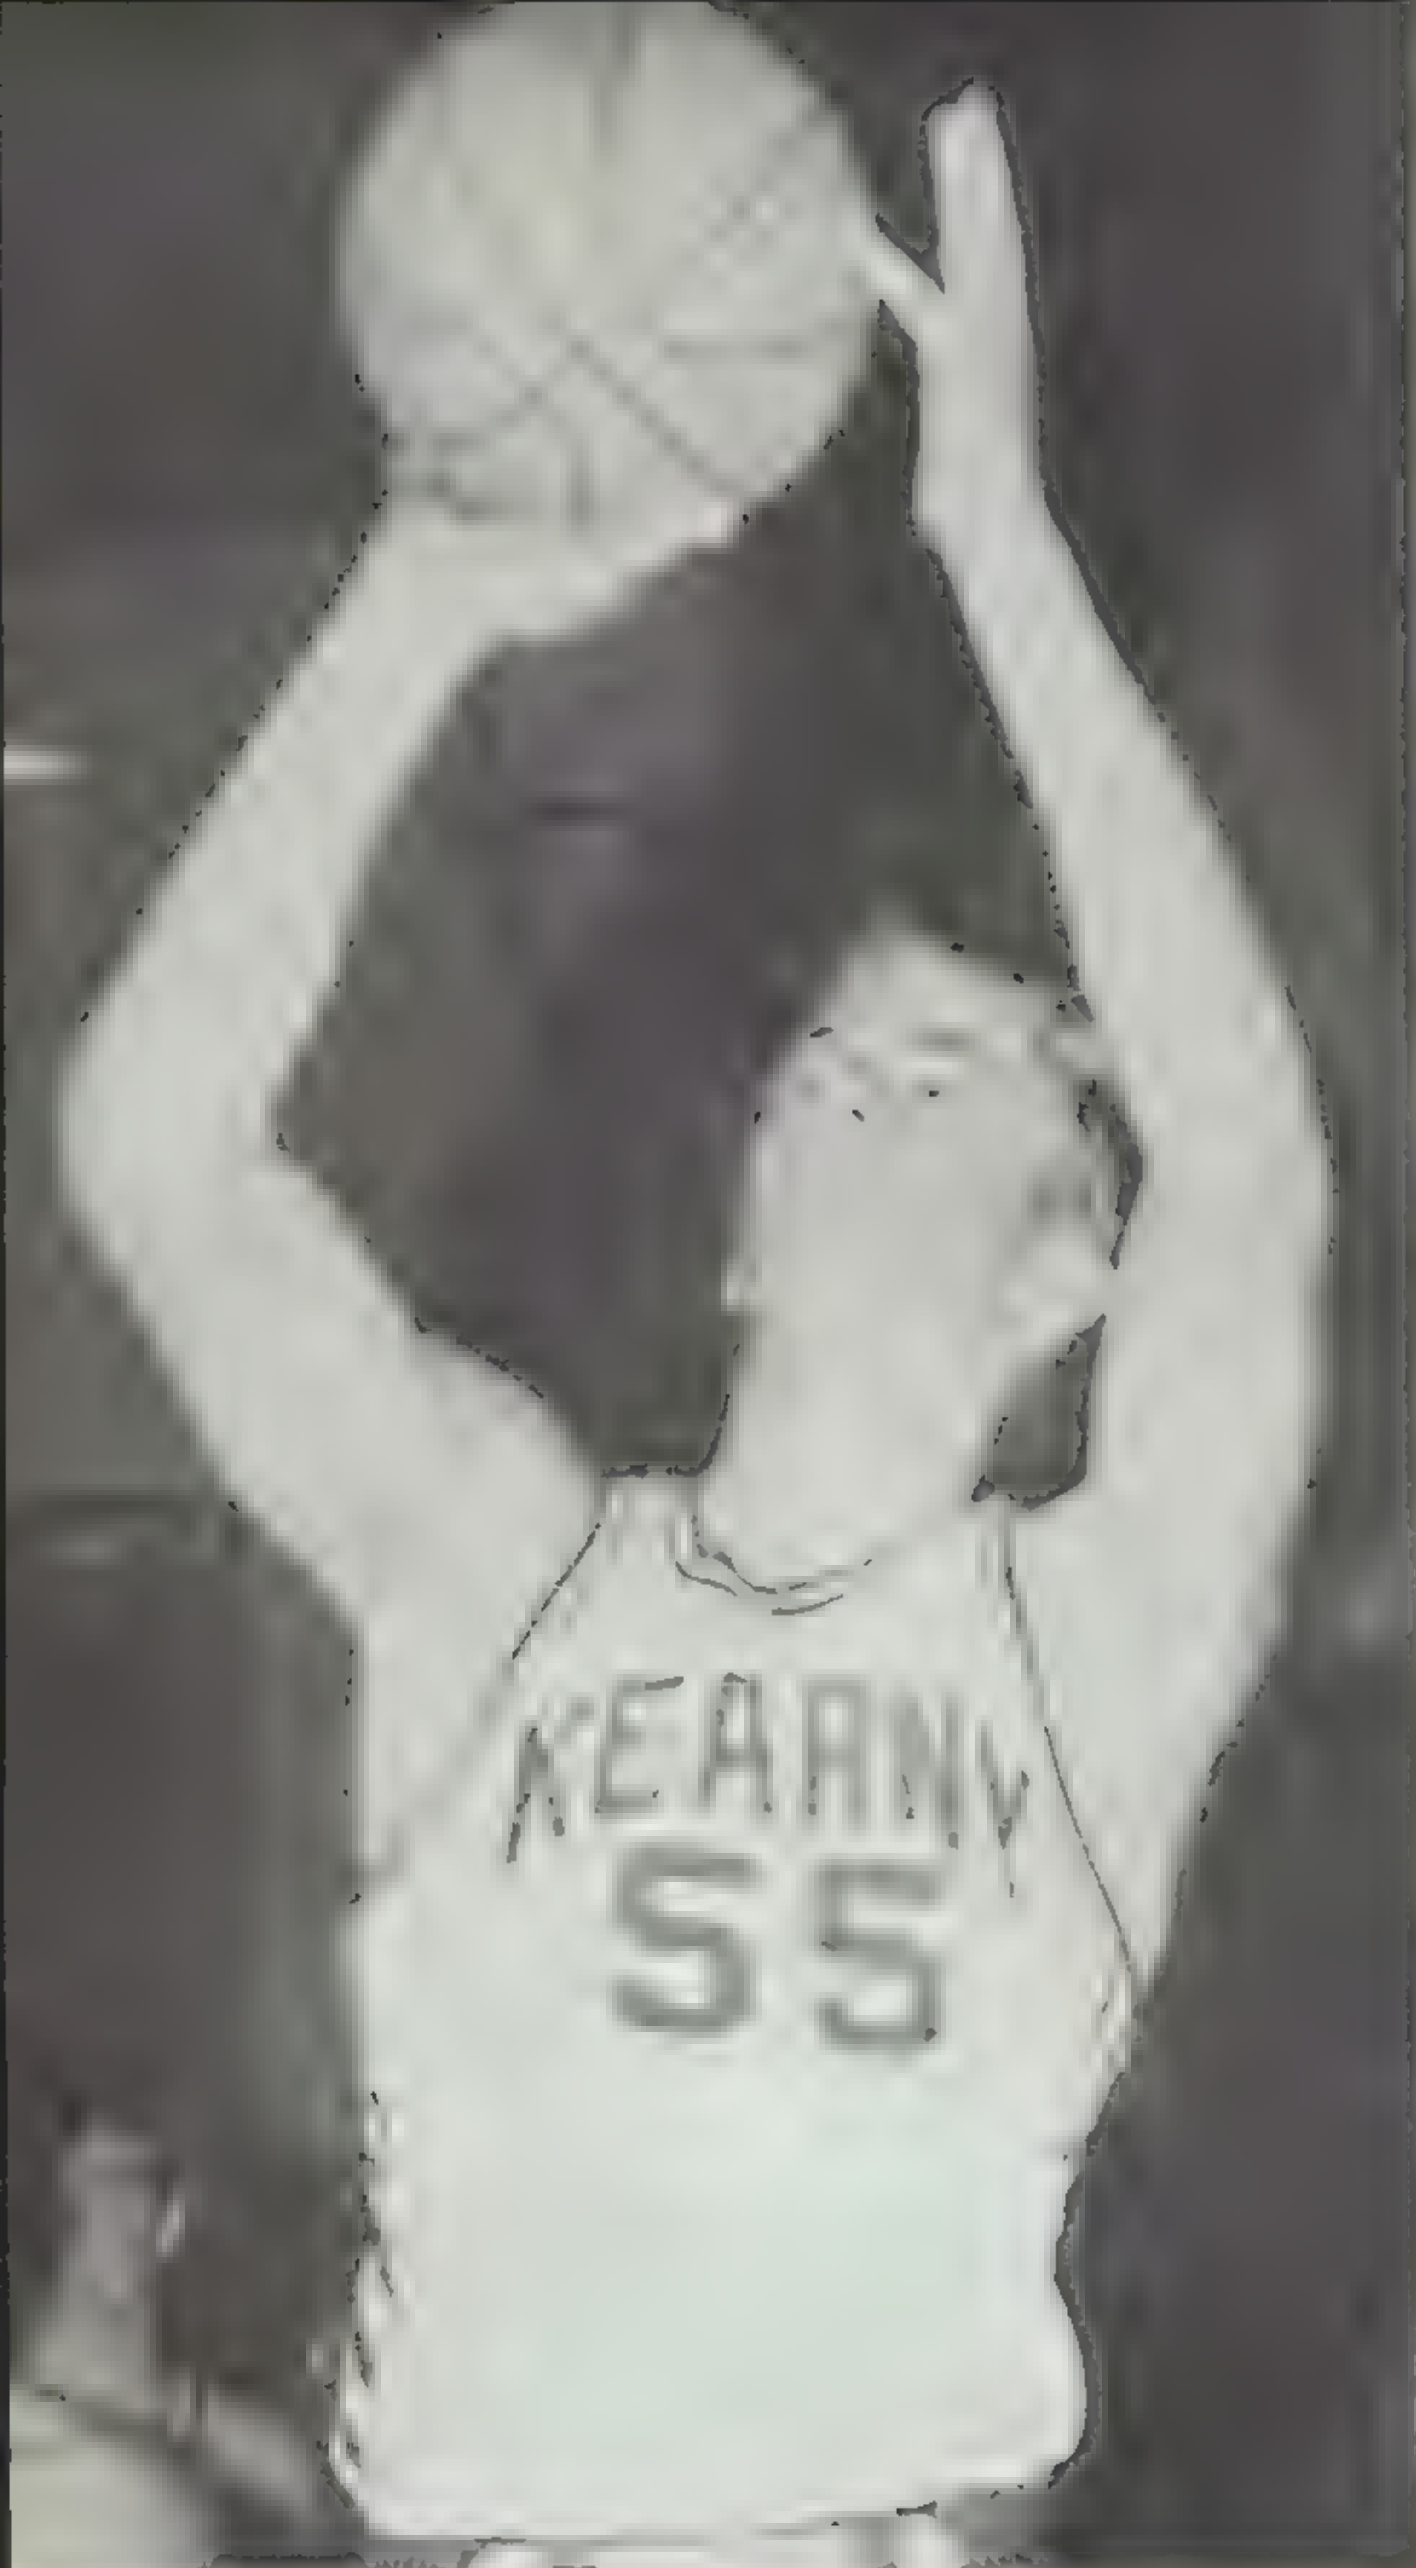

Students gathered together on the grass for the November Moratorium. Poetry was read, songs were sung, and opinions were voiced, as Komets discussed the war.

On Tuesday December 16th, the ASB in conjunction with the SPA conducted a panel discussion on the war in South Vietnam. The discussion on the war was aimed at giving the students an insight into the events which led to the United States involvement in the South Asian struggle. The discussion was held during each lunch period and reached over 200 students.

Tom Twomey served as moderator for the discussion and Lou Dall gave a history into the background of the war, and of the country. The panel consisted of Kevin Hogan and Brian Loucks representing a position of immediate withdrawal of troops. Sam Seligman whose position was in support of the "Nixon Policy," and Adrian Marine concluded the panel with his position of victory through military action. Each panelist answered questions from the audience expressing the conflicting opinions on the war issue. Moderator, Tom Twomey, took questions from the floor and directed them to the panel members.

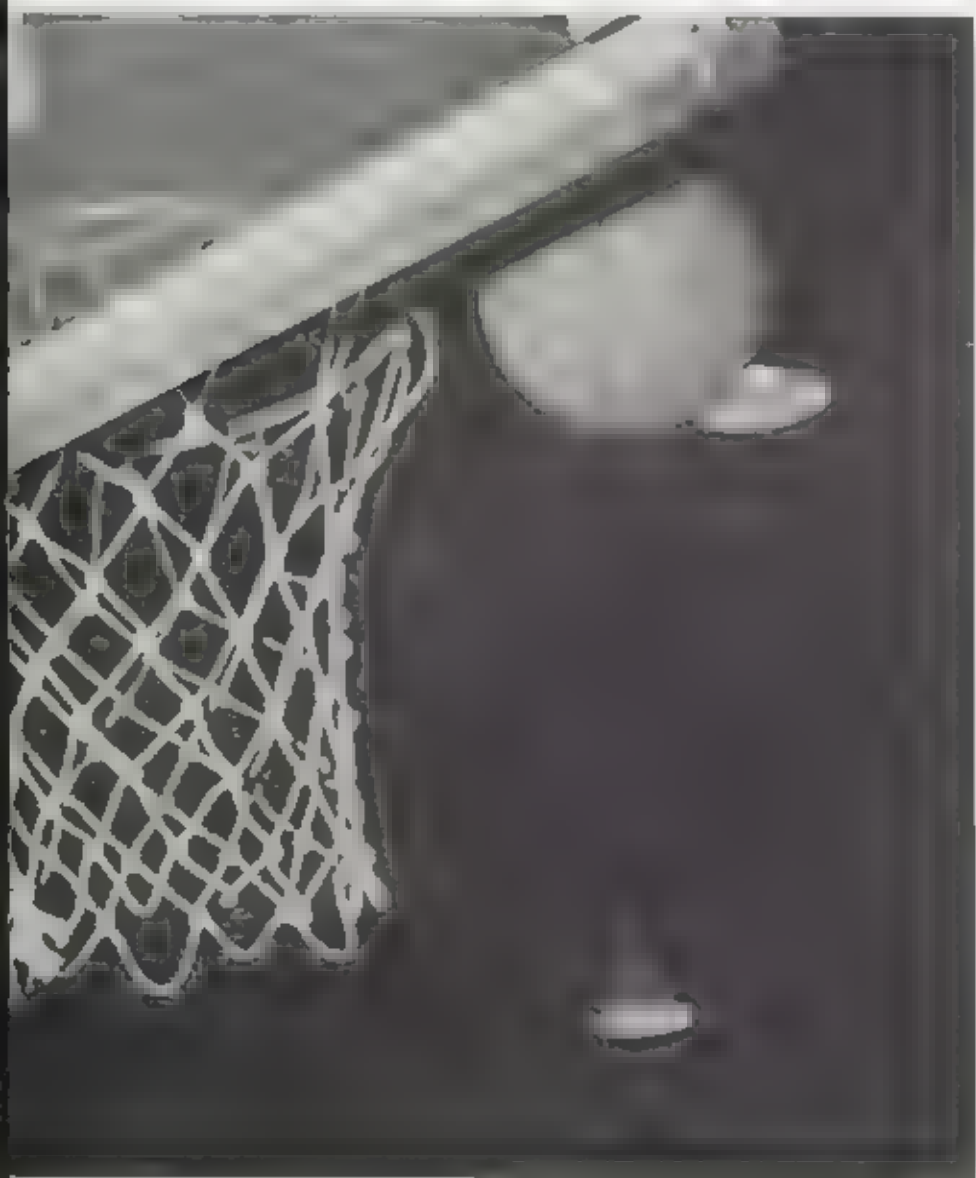

The 1970 basketball season was a building one for Komets according to the varsity coach Wayne Colburne. The Kearny High team ended their season in fifth place in the Western League. The Komets didn't enter the CIF competition because of their poor standing in the league play. In the middle of the season, two seniors dropped off of the team. One, Eddie Ganales, was a star player but he moved away. The other was also a leading player who quit for personal reasons. This left Kearny's squad with a crop of eager but green junior players. This year's team could not be a championship team under these conditions, and it wasn't. However, next year, Kearny's team will be the only one which has had such a large amount of experience due to the abundance of playing time that they gained this year. With such an advantage, having an experienced team and such an experienced captain, Dave Bartholomew, the 1971 varsity players will be definite contenders for the CIF championship.

Infancy - Wilder

The High School Drama Festival is an annual one act play tournament held at San Diego State College. Kearny's Drama department has entered the Festival for seven years, since Mr Winans began teaching here. In that time, we have brought home four superior awards, one excellent award, and six individual 100 dollar scholarships. Kearny's 1970 entry was Thornton Wilder's *Infancy*, continuing the winning tradition by earning a superior rating and a 150 dollar scholarship for Teri Koons. *Infancy* is simply set in Central Park, New York. The props consist of a park bench and two baby carriages. The main idea of the play is the humor found when adults act like babies and babies act like adults. The cast gave an outstanding performance, and fully deserved the awards they won.

Peace, equality, love, friendship, and understanding

The Girls' Choir presented its annual Easter program March 19 and 20. Under the direction of Mr. Keene Stollsteimer, and accompanied by Betty Strickland and Cindy Stanatopoulos, the Girls' Choir, with featured soloists Kattie Komo, Jeannie Roeder, and Cathy Steidl performed a pleasing repertoire of choral music. The purpose of the presentation was to reaffirm our beliefs and hopes that we as young Americans can bring about a better world in which all people can live together in Peace. Some of the numbers in the program were performed by the Choralettes and the Girls' Trio. The program was narrated by Leilani Mokiao, Cindy Mercer, and Bob Myers

Kearny opened its defense of the Western League track title with a heartbreaking loss to last years' co-champ, Mission Bay. It was only by a quirk of circumstances, a three way tie for third place in the high jump, that allowed the Bucs to win by a margin of 2/3 of a point. As usual, the Komets, led by ace speedster Vince Breddell, swept the sprints and the 440 relay but were lacking in the distance and field events.

The girls' track team began its workout during April under the able guidance of Miss Douglas and Mrs. Dahms. Although lacking in returning varsity experience, the team looks forward to a successful

season.

BLACK is a color . . . ME

On February tenth and eleventh, during Negro History Week, the black students of Kearny High School wrote, directed, choreographed, and produced a program called Black is a color . . . Me. Through this program the black students strove to express their new found identity and through expressing this, they hoped to make their feelings clear to the white students and faculty of Kearny. During the program the students danced and chanted together creating a mood of native excitement. There was also a presentation of black liberated fashion. Colorful dashikis and babues were worn and made by the black students. The final words gave a moving plea which still rings out, "How many roads must a man walk down before they call him a man? Yes and how many seas must a white dove sail before she can rest in the sand? . . . the answer my friend is blowing in the wind the answer is blowing in the wind "

Art Production school spirit

Although most students rarely hear of the Art Production class, it is one of the busiest groups on campus. The class is instrumental in providing such school services as the preparation of posters, banners, ribbons and bulletin boards for all phases of school activities. The results of the creative talent of the class are most evident during the football season, and are highlighted at homecoming, when banners, posters and beat ribbons are abundantly displayed. Other projects include posters advertising dances, plays and concerts, and providing help for students in need of publicity when running for a school office.

The 1970 Kearny track team had a faulty start, losing their first meet to El Cajon by ten points at Kearny. The Komet runners were superb with Raymond Shaw starring in the two-mile run, and Vince Bredell in the sprints. The relay team blazed across the Western League, being the best that Kearny had in the past three years. Though the track events were strong, the field events were lacking in strength. Coach Smith had a strong influence in solidifying the team into a winning unit. The depth that the team lacked at the beginning of the season was developed as the season progressed and the Komet 100 once again stormed the city as only true champions could. The most outstanding sophomore on the varsity team was speedy John Jones, who is sure to boost the relay team into first place.

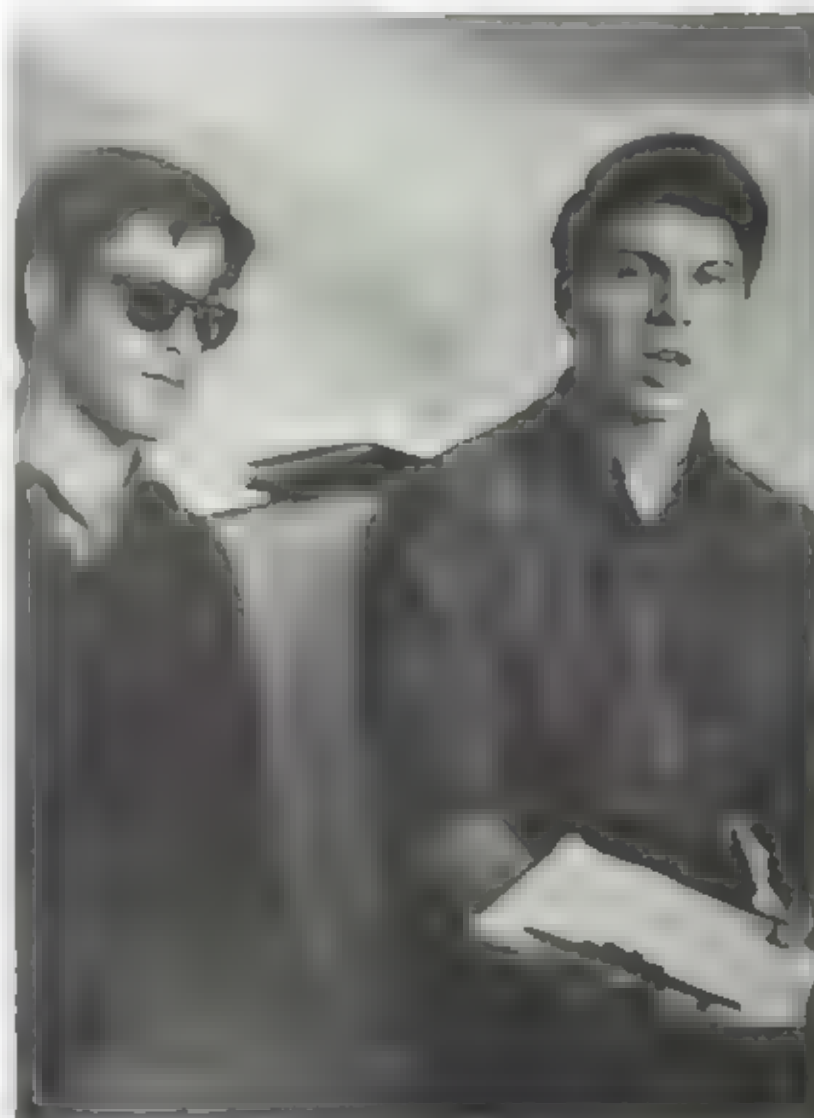

Expanding minds . . .

In search of better ways to improve relations between schools the SDASC conducted several cultural exchanges throughout the year.

On February 19, 1970, selected students from Kearny visited Patrick Henry for a day. The following day Patrick Henry came to Kearny, visited classrooms and participated in discussions. Two of the things they talked about were the racial imbalances and modular scheduling. Students from both schools felt they had benefited tremendously and gained many new ideas.

Another activity that took place at Kearny was the annual Science Fair. This year there were fewer projects than ever before, but the biology teachers no longer require a Science project. Five participants were chosen to go on the Greater San Diego Science Fair at Balboa Park. These students were Rodney Cressey, Holly Halverson, Ann Watson, Diane Berry, and Bayani Buclatin.

Undefeated season eludes hockey team

In only its second year as a varsity sport this year's Girls' Hockey Team compiled an outstanding record of 10-1-2. Led by co-captains Vicki Hallman, Mary Stanek, and Pat Hodson, the team set a variety of records and placed four members on the city County All Star Hockey Team. A single game scoring record was set with a 5-0 win over Mission Bay, and was repeated several weeks later by a similar score against San Dieguito. Kearny outscored its rivals by a lopsided 27-6 with a consistently strong defense and an explosive offense. Mrs. Cole and Miss Douglas provided fine coaching as well as excellent refereeing

Swim team rates pool

The 1970 swim team was excellent this year with one of the best league standings in the Western League. Coach Wadsworth led the varsity squad this year, his first year of coaching any varsity sport. Returning seniors include John Simpson and Mark Merris, who helped the sophomores on the team get over their nervous beginning in the inter-scholastic action. One of the other contributing factors to the Komet's success was the addition of a new pool located midway between the Kearny and Mesa campuses. For the first time the Komets had a home pool to defend. With the continued training of Coach Wadsworth, the Komets can enjoy a superior swimming team for many years to come.

Vince Breddell leads 1970 track team

The 1970 track team was led this year by Kearny's famous sprinter Vince Breddell. This was Breddell's third year of running for the Komet's varsity squad. In this time he has climbed to the position of being the number one sprinter in the entire city. A sophomore named John Jones will be his replacement in the next few years. Jones has complimented the relay team this past year, being the second fastest man at Kearny and in the Western League. The distance runners have been outstanding too with the former cross-country stars, Bobby Fahn and Raymond Shaw running in top position. The only weak link in the Kearny chain were the men in the field events. This link however was quickly strengthened to become formidable opponents throughout the city. Gymnast and swimmer Scott Jones starred in the pole vault for the first time this year, while hefty Richard Taddiken held his own in the shot put. There was increased interest in track this past year, an interest that should hold up in the new few years to come as Kearny once again molds another championship team in this famous and ever growing sporting event.

Hey maroon! Hey white!

This year's varsity cheer and song leaders were vivacious and enthusiastic. They cheered at all the sports activities, building morale in team and crowd.

Fair is foul and foul is fair

Shakespeare's tragic play, *Macbeth*, was performed by the Drama department on May 4-8 in the Kearny auditorium. The play was directed by Mr. Winans who did a beautiful job with the costumes and special effects

Briefly, the plot is that Macbeth and his wife wanted the throne of Scotland. They took it by murdering the king one night while he was staying overnight at their castle. But the act forces Macbeth and his wife into a murderer's world of sleepless torment and they have to murder again and again to cover up for their first evil act of treason. Three evil witches tell Macbeth he is safe on the throne until Macduff, the son of the murdered king, marches upon the castle of Dunsinane. As Macduff begins to march on the king's castle Macbeth learns of his wife's death. Without her, his will power and strength diminish. He decides to fight until death though everyone has deserted him.

With a trio of third year men, Eddie Duenez, Bernie Lewis, and Bob Kluge, along with second year man Brant Bander, leading the way, the Komet golf team jelled in 1970. These four men along with Rick Berry and Tim Reh established Kearny as a prominent power. With four early non-league wins and a first round upset of previously unbeaten Madison, the linksters laid the foundation for the first successful season in three years.

Not a bad golfer himself, Coach Colborne provided much useful help as well as setting up matches all over the county for the team. The nucleus of next year's team will be formed by Brant Bander and Tim Reh who hope to continue the winning ways of this season.

Kearny's Soccer team goes on the rampage

The soccer team made its debut on Kearny's campus this year. The team reflected the excellence that Kearny Komets have always displayed. Although soccer is not an official C.I.F. game yet, it will soon be.

As an example of its firepower the Komets stood as giants over the Dons (3-1) and the Cardinals (1-0). The best remembered game, however, was between the Komets and the Saints, a six-to-one victory for the Komets.

Minitheater prospers

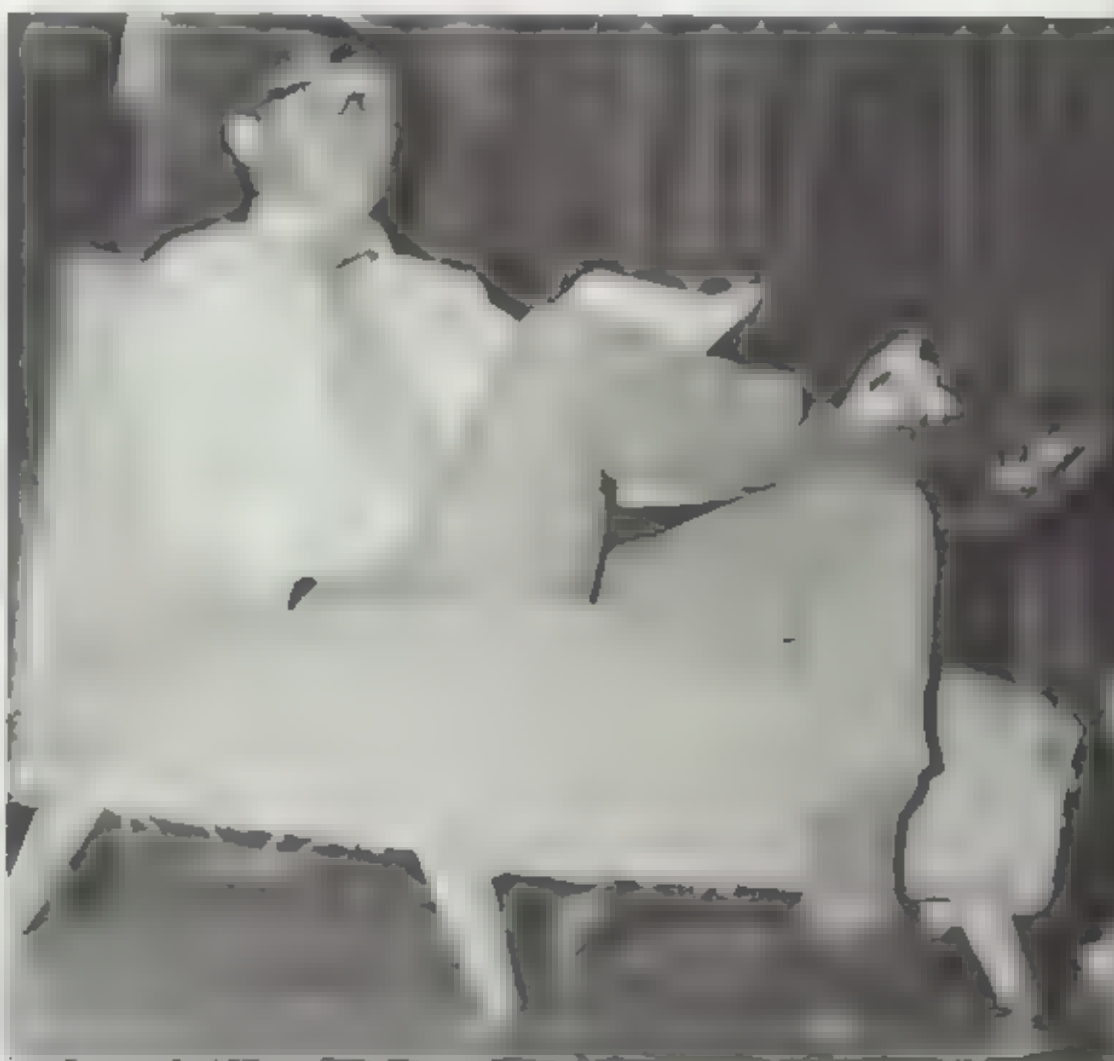

Once a week at every lunch period the drama department and the Marquee Club presented the Mini Theater. Excerpts from plays and movies were shown to anyone paying a dime. The profits went to the Marquees. It was a new idea that turned out to be a great success

Tennis team endures many losses

Coach Webster.

First man Mark Page

Due to lack of experience and only two seniors and the rest underclass, the Komets just couldn't muster up the strength needed to defeat stiff competition. Next year's team will not expect seniors Mark Page and Victor Tongco (first and third man respectively) back next year. However, because most of the team is underclass, the Komets can expect an improved score for the '71 season.

The high school experience should be one of the most meaningful events in an individual's lifetime

Seniors may look over their three years and find it difficult to pinpoint any specific signs of personality change, but few will deny that somehow during those years they have molded the basic principles which will guide their existence

The education received at a high school today must necessarily encompass more than academics; the institution and its faculty must offer to the individual the opportunity to test capabilities and develop potential for the future in all areas

Social maturation is another goal of the high school program. Group interaction in extra-curricular activities, as well as participation in a multitude of social functions develops self-confidence and capability for dealing with any given situation

Education is a lifelong process not a programmed course sequence. Individual growth should have been the outcome for the graduating senior at Kearny High

Frank was a stern president. Leading the council forward without hesitancy, he guided the senior class to financial safety.

Although often assuming Frank's responsibilities during the football season, Cheryl usually worked behind the scenes in preparing posters, banners, news bulletins, and flyers.

The class secretary, Victor, worked hard throughout the year, not only keeping the minutes of the meetings, but also in working with the administration.

Council fights school apathy

"I don't care," would have been an appropriate class motto for 1970's graduating seniors. The growing feeling of the student body was that such traditional activities as the prom, baccalaureate, and graduation are outdated and irrelevant. "Just give me my diploma," was the general consensus.

The senior class council was the minority that cared. All year they fought to get the seniors to pay their class dues. The total of \$15 paid over each student's sophomore, junior, and senior years covered expenses for a yearbook and the activities at the end of the year. The total expenditures of the senior class amounted to \$10,000, a sum easily met if all seniors paid their dues.

However, few seniors paid and most of the activities sponsored by the council failed. Candy sales, car washes, rummage sales, and button sales were largely a failure.

In an attempt to awaken seniors to their financial status, a large dues drive was

organized during the month of February. Representatives from the council spoke in English classes and handed out flyers. The council members' fears of bankruptcy were laughed at. Most students responded with ridicule, although a limited number did pay their dues.

A similar presentation was given at a special PTA meeting for the parents of seniors. Thanks to the efforts of certain members and Mrs. Wiseman, the senior class was permitted shortly thereafter to change their plans for the traditional baccalaureate. A more contemporary folk service was granted.

This is the greatest step forward any senior class has made within the past five years. Graduation ceremonies still have an importance because they mark the end of a student's compulsory education. However they must be altered if they are to have any meaning to today's youth.

Perhaps the most driving force behind the council's efforts were David, the treasurer. He toiled endlessly over plans to raise money. The senior class should extend its thanks to David and all the officers.

THE NIGHT: Nights in White Satin
 Breathe deep the gathering gloom,
 Watch lights fade from every room.
 Bedsitter people look back and lament,
 Another day's useless energy spent.
 Impassioned lovers wrestle as one,
 Lonely man cries for love and has none.
 New mother picks up and suckles her son,
 Senior citizens wish they were young.
 Cold hearted orb that rules the night,
 Removes the colours from our sight.
 Red is gray and yellow white,
 But we decide which one is right.
 And which is an illusion???

The junior class was off to an early start this year with a float in the homecoming parade. Their float featured a clock and people at different times of the day.

Frank may be at the top of his class but there is always time for him to joke around.

A child uneducated is a child lost

The Junior class council under the direction of their president, Catalina Nocon, has worked diligently to make the class of 1971 one of the best in Kearny's history. The other council officers were Jackie Hamill, vice-president, Sue Linder, secretary, and Bina Gogo, treasurer.

Beginning by electing class officers in the fourth week of school, the juniors quickly organized a class council and participated in the homecoming festivities for which their float won third place.

Money raising projects sponsored by the council included candy sales beginning right after school started. They sold suckers and in December sold Christmas candy to enhance the Christmas spirit at Kearny. To help raise money for their senior year, junior class council members held a bake sale, sold refreshments at the A.S.B. ball and at the basketball games.

Class president, Catalina Nocon, who is also a member of the A.S.B. council, has effectively represented the juniors as well as actively participating in reforms which have benefited the entire student body.

Here We Are, The Sophomores

The graduating class of '72' really started off with a bang. In November their class officers were elected, and started working hard toward a successful year. The sophomores participated in almost all of the school activities this year, including sports and academic contests.

Helping to raise money, students held a "Mr. Kissable" contest during Spirit Week

They participated in the Homecoming activities with spirit. The students chose as their attendants Val Boucher and Sheryl Roberts. Their float was called Dreamland.

With the help of Mr. Perpich the students of the Sophomore Class have made their first year at Kearny a most enjoyable and exciting one.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific information required.

3. $\frac{1}{2} \times 10^6 \times 10^6 = 5 \times 10^{11}$
 $\frac{1}{2} \times 10^6 \times 10^6 = 5 \times 10^{11}$
 $\frac{1}{2} \times 10^6 \times 10^6 = 5 \times 10^{11}$

Song is loftiest thought of many, inspired by one

Steve Grubbs
President

Jackie Smith
Student Director

Nationally known, with its recordings in the libraries of twenty colleges from coast to coast, the Kearny High School A Cappella Choir is celebrating its twenty fifth year of singing. More than two thousand students have sung with its founder-conductor, E. Richard Zaloudek. Many of those students have gone on to achieve their own recognition as singers or conductors.

The Choir's Christmas music has become a tradition in San Diego, as it sings its twenty-fourth Christmas at Mercy

Hospital, the only high school choir allowed in the hospital. Concerts at shopping centers, institutions, other hospitals and clubs make December a very busy month.

The Choir has appeared on all local television and radio stations. It has sung the city wide Easter Sunrise Services at the Organ Pavilion eight times and at Presidio Park twice. Thanksgiving services at the Organ Pavilion as well as programs for the lighting of Christmas lights in San Diego have been done seven times. The

Dedication of the new Mercy Hospital was done at the express request of the Sisters of Mercy.

All military installations, Balboa Naval Hospital, as well as several ships docked in San Diego have had the Choir as their guests. When the U.S.S. Ticonderoga dedicated the memorial to its first pilots killed in Korea, the Kearny Choir sang the service. In 1954, Neil Morgan devoted his entire column on Christmas Eve, in the San Diego Tribune, to the Choir and its activities.

Denise Darrish
Vice-President

The U.S. Navy filmed the Choir singing "A Sea Prayer" by David Nyvall, which is dedicated to the group. An invitation to sing in the Memorial at Valley Forge, Pennsylvania is renewed annually.

Though it has sung under the direction of many famous conductors, perhaps the greatest compliment came from J. Spencer Cornwall, who was then director of the renowned Salt Lake City Mormon Tabernacle Choir, when after directing the Kearny Choir, he called it "The Little Tabernacle Choir."

Girls' Choir completes another successful year

The Girls' Choir is a select singing group completing its seventh year of entertaining the public and the students of Kearny High School. The Choir is under the direction of its organizer, Mr. Stollsteimer. This year's officers of Girls' Choir are president Nicki Hoffman, v. president Judi Brandt, secretary Susan Hamry and treasurer Sue Cambell. Some of the Choir's outstanding programs this year are; the Christmas assemblies, the Easter assemblies and the annual Spring Concert in June. The Choir represents Kearny High School in the City Schools Choral Festival in April. Betty Strickland and

Susan McNeil are the accompanists. Sixty-one girls make up the choir.

The Choralettes, a select singing group from the Girls' Choir, sing for several local Convalescent homes and Sharp Hospital. Eleven members make up the group this year with their accompanist, Cindy Stamatopoulos.

The new trio formed this year from Girls' Choir includes Cathy Steidl, Marsha Becker and Yvette Armstrong.

This year's choir officers are President: Nicki Hoffman, V. President: Judy Brandt, Sec. Sue Hamry and Treasurer: Sue Campbell.

We give our thanks to Mr. Stollsteimer completing his seventh year directing Girls' Choir.

Hard-Working ASB provides self-government for Kearny

Kearny High School's Associated Student Body Council consists of twenty-two outgoing student representatives. Some of these representatives are elected, while others hold appointive offices. The purpose of the ASB is to provide self-government in conjunction with the administration. The council meets every day during fifth period to discuss the problems

facing students at Kearny and to plan school events. Under the Leadership of Terry Owens, the 1969-1970 ASB has worked to propose a new ASB constitution and revise the dress code. The ASB is also responsible for ticket and beat ribbon sales, the homecoming events, and Spirit Week. This year the council planned a very successful ASB ball on December 12.

Senate serves as a medium of communication.

Chris Olson
Secretary

Mr. Carter
Advisor

The Kearny High School Senate, formerly known as the House of Representatives, is going strong again this year. Through meetings that are held nearly every Thursday, it continues to play an active and important role on campus.

The Senate is composed of representatives from all of the tenth grade English classes, all eleventh grade History classes and twelfth grade American Government classes.

The Senate is a body that works and discusses issues brought up by the

students. Suggestions are conveyed to the meeting through the class senator. It serves as a medium of communications between teachers and student body. Without it, many valid issues would never be brought to a wider scope of attention. This year it is working on changes in the ASB Constitution.

Advised by Mr. Carter, president Jim Lawler, vice-president Odis Huff, secretary Chris Olson and parliamentarian Mark Heckman work to lead the busy group.

Attentive as at every meeting the Senate listens to its advisor, Mr. Carter, while he outlines a plan of action.

Co-ordinator, Karen Cooper

Music is theme of Radio Staff

The Radio Staff is comprised of students interested in bringing the news of the campus and latest music to the Kearny population. Radio Staff broadcasts during all three lunches.

Staff members act as disc jockies by playing songs and reading the bulletin over the air every day. The Radio room is located in the A.S.B. Room. The staff accepts requests for songs also. Karen Cooper is the co-ordinator.

The Sherpas Motorcycle Club participates in overnight jaunts out in the desert where they ride and learn their skills. The boys join in competition with others from other schools where they win money prizes. Owning a motorcycle is not a required rule, but it helps if you want to join in the

overnight activities. There are assorted types and sizes of the bikes in the club. The boys share in riding and experiencing each other's bikes and showing off

Kearny's drama club, the Marquees, is a very active club on campus. Under the leadership of Guy Qvistgaard, the club has grown to sixty-five members. Jim Lawler, sergeant-of-arms, has kept the large group in order.

Besides acting, the Marquees are responsible for selling tickets, building sets, and helping with costumes for the dramatic productions. Also, the club presents an annual variety show.

Activities are a major part of the club. This year Jon Arias planned a Christmas vacation trip to Disneyland for the Marquees. Also, the club entered a float in the homecoming parade and enjoyed an annual awards banquet.

Mr. Bill Smith, sponsor

Despite their small membership, Key Club members, Steve Grubbs, Rick Laws, president, Brendon Mathews, treasurer, John Pittman, secretary, Guy Qvistgaard, vice president, and Tom Twomey maintained an active, hard-working club.

Key Club continues to serve Rose Marie and Harmen enjoy their visit

Youth for Understanding is a relatively new organization on campus. It provides for the exchange of students between the United States and other countries. The program is totally interfaith and interracial. The purpose of Youth for Understanding is to develop understanding among people through a family living experience. Kearny's sponsors for this program are Mrs. Lorraine Gholston, head counselor, and Ted Gavett, president of the P.T.A. Harmen Westra is one of this year's Y.F.U. exchange students. He is a senior, living with the Richard Kardash

family. Harmen comes from the Netherlands and enjoys soccer, sailing, golfing, and water and snow skiing. He has contributed much to Kearny during his stay. He is a full and halfback on the soccer team, a junior achievement member, and a member of the math team. In fact, Harmen won first prize at Kearny in the annual math contest. Rose Marie Durney is another Y.F.U. student this year. She is living with Patricia Gavett and her family. Rose Marie is visiting Kearny from Santiago, Chile, where she is a junior

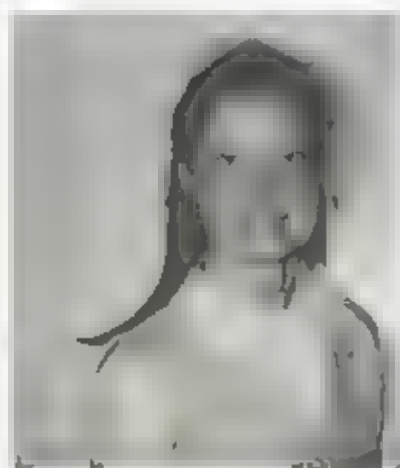

This year's Key Club has concentrated mainly on projects from last year. Two years ago they started a project in which the club members gave talks to sixth graders on the dangers of smoking. They have continued this work this year. The Key Club meets at 7:15 A.M. every three weeks to discuss new service projects such as cleaning Kearny's trophy and award cases. Their biggest service project this year was recruiting of volunteers for the Cystic Fibrosis march on April 18.

Dianas have completed an exciting year

The Diana's is an honorary service club consisting of fourteen girls who have maintained 3.3 grade point average in scholarship and no lower than an "S" in citizenship. The girls are selected at the end of their junior year from girls who have met these requirements and have obtained the highest number of service points. Dianas' purpose is to help girls at Kearny make more friends, help them feel at home, help them solve problems, make newcomers feel welcome, to provide experiences in social activities and to render service to the school or any civic community organization whenever possible. Dianas have had many activities this year, such as Homecoming Koffee Klatch, Ushering at Spoon River, Little Sister Tea and Open House, and serving at P.T.A. They also worked on Viet Nam Gift Pac Service project.

Girls voice opinion through KDK council

The purpose of KDK is to give the girls on the Kearny campus a place where they can voice their opinions.

The club is made up of four representatives of each grade. Three representatives are elected and the other nine are appointed through letters of application. Four officers make up the executive staff.

The uniform, selected by the members, is a maroon and white striped jumper worn with a white blouse.

Activities include the traditional Big Little Sister Tea, sale of fresh carnations during Homecoming Week, Viet Nam Christmas Packages, sale of Valentines, and the Mother-Daughter Tea on Mother's Day.

Talented Lettergirls contribute time, skills and varsity experience in support of GAA

Diane Naffke demonstrates serve as the number two singles player on the varsity Tennis Team as teammate Paula Taylor looks on

This year a total of thirteen girls have had the honor of being known as Lettergirls. Easily recognized by their spotless white sweaters and large maroon bordered white "K," these girls are the so-called cream of the crop: the best that GAA has to offer. Only those senior girls, who, as members of GAA have earned a total of 250 points or more, are eligible to wear the "Letter." In addition to striv-

ing to improve their own skills, competing in varsity meets, and attending their own club activities, under the aid and direction of Mrs. Kohr, the Lettergirls provide inspiration to all members of the club, they assist the officers with the planning and operation of all GAA activities, as they devote time and effort to help produce new groups of Lettergirls in years to come

Vicki Hallmen displays her excellent starting form as an all-around outstanding member of the Kearny High Girls' Varsity Track Team and holder of several school records.

C.S.F. has a year of scholar activity

The California Scholarship Federation is an organization whose members are honor students. It is dedicated to the basic philosophy of "Scholarship for Service."

Through providing a series of varied social activities and sales opportunities for its members, it attempts to further scholarship expansion at the high school level. Some of its activities are an annual progressive dinner and a beach party.

Most important is the banquet at which time Life Membership Certificates are awarded to deserving students.

Within the A'cappella Choir are twenty-five talented singers, who make up the ensemble. These students are chosen by Mr. Zaloudek, on the basis of talent. Ensemble activities this year include singing at many

convalescent homes during the Christmas season. A highlight of their year was making a television appearance. They also brought joy, in the form of carols, to hundreds of Christmas shoppers at Mission Valley Center.

Exchange students enjoy U.S.A.

Kearny was proud to have on its campus this year two Foreign Exchange Students. Naim Hakimi and Clarisse Passos.

Clarisse Passos is from Rio Grande, Brazil. She is an honorary member of Girls' League and was selected as October's Gardenia Girl. Clarisse belongs to many social clubs in Brazil and says her favorite hobby is travelling. Her brother and sister hosts are Rick and Becki Christian.

Naim Hakimi is from Kabul, Afganistan. Naim is a member of SPA and an honorary member of the Rotary Interact club. Naim is an avid stamp collector and enjoyed the Kearny football games very much. Naim's brother-for-the-year is Larry Ward.

AFS Sponsor Mrs Klein

"Walk Together, Talk Together" is the theme of AFS float.

AFS brings together many cultures

The AFS is very active again this year. The first unofficial activity was a welcome barbecue for our two Foreign Exchange students, Clarisse Passos from Brazil, and Naim Hakimi from Afganistan. Clarisse is staying with the Christian family while Naim is staying with the Ward family.

The Homecoming parade marked the beginning of the official American Field Service year when the club float won second prize. Other activities include sale of Christmas Cards, the second Harbor Hop, and the annual AFS Dinner.

Mrs. Klein is the club

sponsor again this year and has as her officers, Kathy Haley as President, Vice-President Randy Conry, Becki Christian as Secretary, and for Treasurer Ann Marie Rowan

Becki Christian spent two months of the summer studying and learning about the people and cultures of Asuncion, Paraguay. The Fleytas family were the Paraguayan mother and father to Becki and their two daughters were her sisters. The family often took long drives through the countryside. One of her sisters was once an exchange student to the United States

The purpose of Kearny's chapter of Quill and Scroll, The International Honorary Society for high school journalists, is to publish *Scribblers Frolic*, Kearny's annual literary magazine. To join the club the student must be a junior or senior in the top third of his class who has worked on previous publications, and has his counselor's recommendation. Even if the student is ineligible for membership in Quill and Scroll, he may work on *Scribblers Frolic*, which helps him toward an editorship the following year.

Some of the club's activities are an annual banquet at the end of the year, a Christmas party, a spring picnic, candle-light initiation, and of course, publishing *Scribblers Frolic*.

Have you got that spirit? Yeah man!

Pep Club's president is Rachel Gardner and vice president is Jerie Campbell. Not pictured is secretary Leann Arnold and treasurer Rosa Weaver.

This year's Pep Club has been traditionally the most enthusiastic and spirited club on campus. They've added greatly to Kearny's school spirit on campus and at all of Kearny's games. Every week they met together and made hundreds of spirit banners for the football games and boys' team room. Pep Club conducted candy and balloon sales this year for supplies for posters. You can always pick out a pep club member in a crowd, they're the peppiest. The club's success wouldn't have been possible without their great sponsor, Mrs. Kohr.

Pep Club members show enthusiasm by entering a float entitled Siy and the Family Shoe in this year's 1969 Homecoming.

Deutscher Klub furthers understanding

To further understanding of Germany and its people is the purpose of Kearny's active German club. Members of this organization do not have to be enrolled in the German program. Some of the many fun-filled activities members participate in are: bicycle trips, the Fall Oktoberfest, and a progressive dinner. The club keeps well informed by listening to many speakers from universities and viewing their slides. Mrs. Fletcher sponsors the "Deutscher Klub" here at Kearny

Drill team marches through another successful year

Kearny High School was represented during half-time at football games by the K-Ettes, Kearny's drill team. These girls provide an excellent form of entertainment to an interested audience. The K-Ettes have created such formations on the field as a flower, a viking ship, and the letters "U.S.A." concluding a spectacular salute to the United States at the C.I.F. game. Not only do they perform their intricate marching routines at football games, but also at the band and drill review, which was held this year at Mesa College on November 1, and the Shrine game, which was held this year at Charger Stadium, October 25. The K-Ettes also represented Kearny in the Toyland Parade on December 7. This year's K-Ettes were under the direction of Miss Douglas and Miss Shalley.

Speech and debate team take honors

There is another team at Kearny, alongside the athletic teams. Team members do not receive letters, but they do win quite a few trophies and awards. This team is the speech and debate team, under Mrs. Ramona Barksdale. Most of this team's members are enrolled in speech classes. An example of their oratorical talents is their winning of a group discussion trophy and a certificate for impromptu speaking. The speech and debate team has won a forensics trophy and had a winner in the American Legion tournament. Kearny's team also had three winners in the Lion's Club tournament and four awards in the V.F.W. contest.

R.O.T.C. promotes discipline, military order, precision and patriotism

The R.O.T.C. program is designed to teach leadership, self-discipline, and the ability to organize. While the Junior R.O.T.C. program provides an opportunity to acquire basic military knowledge as well as skills, its primary goal is to develop good citizens who are aware of their nation's affairs.

In addition to the above goals the Junior R.O.T.C. at Kearny Senior High School also organizes a rifle marksmanship team, a fancy drill team, color guard and a drum and bugle corp. All of these participate in competition and performances throughout the school year. This year in particular, Kearny's Drill Team placed first in competition at Balboa Park. These extra activities prove advantageous in encouraging military precision and accuracy.

Several social events are held during the year, such as picnics and other outings. The social event on the R.O.T.C. calendar that highlights the school year, is the R.O.T.C. Military Cadet Ball, usually held in the month of March at the Masonic Temple in nearby Mission Valley. Some 600 cadets and their dates attend this ball.

Kearny High School's Band is a very successful band under the direction of Mr. McCrea. It became important in our everyday life at Kearny High School this year. Students appreciated the music that was presented by the band. Last fall the band marched at all Kearny's home football games and at the annual Shriner's Crippled Children's Benefit game. As a concert band they performed at lunch time assemblies, the district music festival, a winter and spring concert and the commencement ceremonies for the class of 1970. We give our thanks to the band members that made our band great.

This year a sophomore band was formed. It may be continued next year. This band combined with the upper classmen as a marching band in the fall, but continued the year as an independent group, playing concerts and participating in the district music festival.

Orchestra provides great entertainment

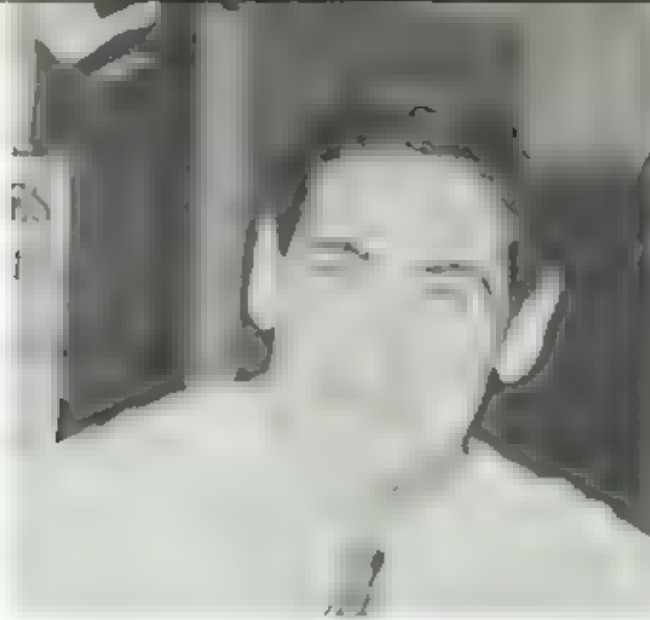

Mr. McCrea, Kearny's music director, is rewarded for his great talent.

The Kearny High School Orchestra has gained recognition as one of the most outstanding high school orchestras in San Diego County. People all around our community and school have heard and enjoyed the music played by our orchestra. The musicians practice and learn the fine points of playing and performing their individual instruments. They spend many hours acquiring invaluable training in theory and technique. Mr. McCrea, the director, is noted for his great talent in music. He has helped orchestra through many hard hours of practice to achieve perfection. He is a man known to us as a great teacher in directing fine music for our community and school. During this year the orchestra has given numerous performances at assemblies and concerts on the campus and in the community.

Students for Political Action rally Through another successful year

Students for Political Action consists of people on campus who are undertaking the task of stimulating interest in important issues in our society and school today. This group of students works to promote action relating to these issues through serious thought and analysis of all aspects concerned.

Some past activities of this club have included the presentation of an S.P.A. platform at the 1969 Nominating Convention. They were also responsible for the numerous speakers who have talked

to Kearny audiences.

This year, the members of Students for Political Action, in conjunction with the Associated Student Body presented a discussion on the Vietnam War. The group has greatly participated in the moratoriums of October, November and December. In November, several interested students gathered together in the lunch arbor. There they read poetry, sang songs and discussed the War in general.

Through the wise and witty advice of

Mr. Janc, the club has become increasingly more active and eager to work for a campus with a greater awareness of society and its problems. From a relatively recent beginning, it has grown to a progressive club with quite a substantial membership.

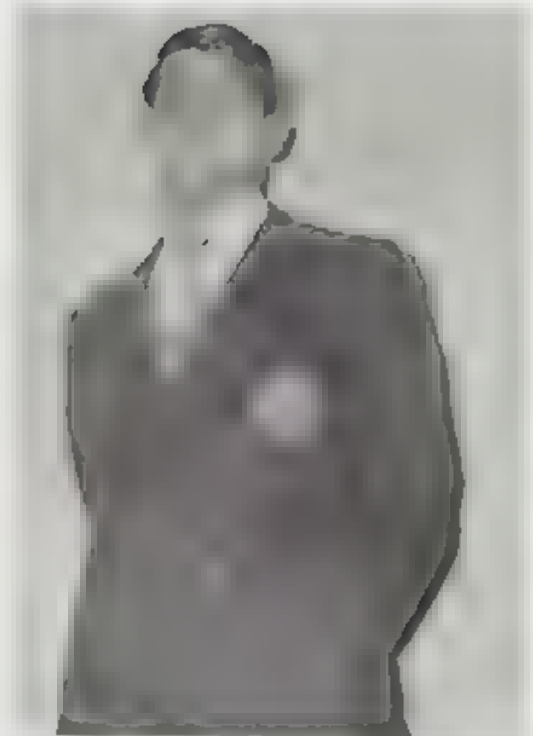

Students for Political Action has become noted for its outstanding efforts and several accomplishments in working for a better school and community atmosphere.

Rotary Interact serves mankind

The Inter-act club is actually two clubs in one. Under the sponsorship of Mr. Albright the club is a service club and Explorer Post 216, a special interest club. To become a member, one must be a good student, and be willing to participate in service projects. Inter-act members set up Taylor Field for this year's Homecoming activities, worked at the Viet Nam gift-pak center, and walked for mankind in Project Concern.

They also enjoyed an evening of fun with the patients at C.R.E.S.T., a rehabilitation ward at Sharp's Hospital. The Inter-act club looks into career possibilities. In the past, they have studied electronics, physics, law enforcement, commercial underwater photography, oceanography, and surgery. They have also delved into the fields of banking, communications, and even the mortuary business.

Epilog

The help and assistance of many people have made the production of this book possible. We would like to extend our gratitude to Busco-Nestor Photography Studios and especially Bill Meyer for the fine photography work in the annual. We are also indebted to Chris Olson, Connie Roser and the senior section staff, and the entire annual staff for their efforts in putting this book together. To Mr. Paschall, who worried, please accept our thoughts for thanks, we have no words.

The Editors

The day has passed and again the twilight of one phase of life welcomes the dawn of another. The newness of early morning was much like the newness of being a sophomore. Each day of the first year was a new experience, making discoveries along each step. The junior year seemed to be like the peak hour of our day at Kearny High School. The newness had worn and the sun had begun to shine through. So afternoon turns to evening and juniors into seniors we are reminded the day is drawing to a close. Although we continue onward, we will still remember what is behind and have faith in what is to come. The pages of this book are windows and windows are to look through; we hope the Komet 1970 has provided a look at this past year at KHS and a glimpse into A day in the life.
